THE 1963 RAPS AND TAPS

SAINT CHRISTOPHER'S SCHOOL

Richmond, Virginia

VOLUME XXXVIII

DEDICATION . . .

To most of us, the name Saint Christopher brings to mind the school we attend, the friends we go to class with, the test we failed, the Saturday mornings we spent writing obscure words from Webster's. Only rarely does the name bring to mind the courageous young Greek in the legend of the Christ, who dedicated his life to labor in the Lords name.

Likewise, most of us forget that we here at Saint Christopher's associate everyday with a group of men who are seeking to emulate the Christ-bearer's devotion and great patience.

Therefore, we, the editors, gratefully dedicate this thirty-eighth volume of Raps and Taps to the entire faculty of Saint Christopher's School, past, present, and future.

NEWTON HOPPER ANCARROW
921 SOUTH GASKINS ROAD

TWELVE YEARS - Varsity Football, Varsity Soccer, Co-Captain of Track, Glee Club, Monogram Club, Jackson. "Torpedo" leads off the roll call of the many twelve year men included in this year's class. Starting on the "Old Dear's" third grade teams and coming up the line, he has been a leader in athletics all the way. He had his finest season under Coach Herzog this year, leading the team to a 5-4 record. Taking off on 90-yard romps was his specialty, while at the same time he could be counted on for that extra yard. Hop-pie's over-active imagination has provided the C-Club members with many stories of wild adventure, which shall not be repeated at this time for obvious reason.

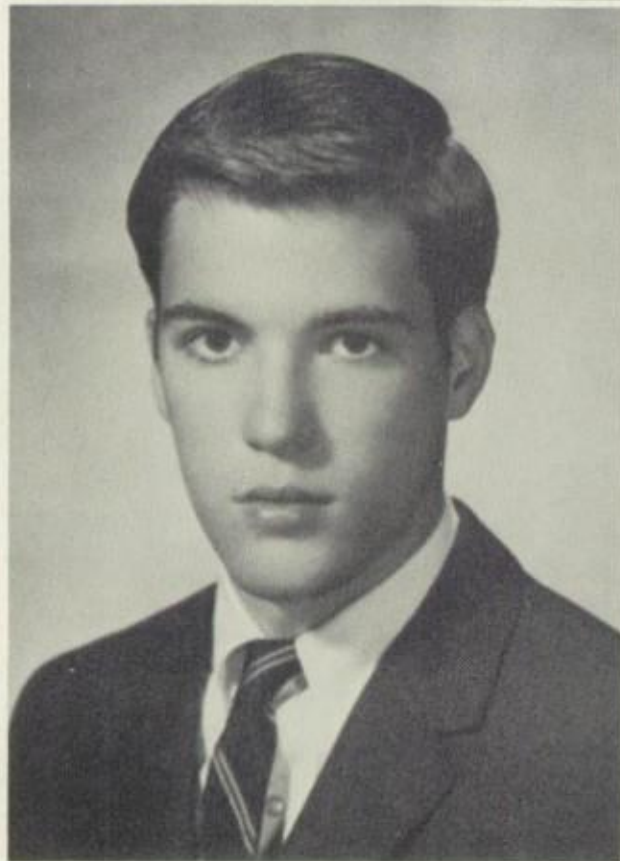

Best of luck at Hampden-Sydney, Hop.

WILLIAM RYLAND BABCOCK
RICHMOND, VIRGINIA

SEVEN YEARS - Director of Missionary Society, Head Cheer-leader, Glee Club, Pres. of Smoking Club, Varsity Track, Monogram Club, PINE NEEDLE, Business Manager of HIEROGLYPHIC, Jackson. - Bill is one of those boys who is heard from only when he has something worthwhile to say. His active part in school life has been felt by all concerned with St. Christopher's. Here is a man who says what he thinks and then backs it to the Nth degree. Bill is noted for his iron-fisted Study Halls and his renovation of that "Den of Sin" known as the Smoking Club. He has upped the S-Club to a position of esteem comparable to that of the C-Club.

Bill plans to make the scene in Lexington next year as a Mink. Good luck, Bill.

GEORGE STEWART BARNES
LEXINGTON, VIRGINIA

TWO YEARS - Debating Club, HIEROGLYPHIC, Librarian of Glee Club, Lee - Stewart takes a great interest in music and has been instrumental in the Glee Club. He salvaged the combined concert with a very well sung solo. Stew plays the piano as a hobby and does so very well. In his two years here he has made many friends and entertained us all with stories of wild parties in Lexington.

Best wishes, Stew.

WILLIAM NORWOOD BOYD
CHARLES CITY, VIRGINIA

FOURTEEN YEARS - Varsity Football, Varsity Soccer, Smoking Club, Lee. - "Boorwood," one of the patriarchs of the class, has long distinguished himself as the expert hunter of our group. He can be seen arguing daily with Buckwheat about the best way to hunt cardinals, rats, and other culinary delights. Norwood has the great talent of being able to talk with anyone on an equal footing easily. His indefatigable good humor and reluctance to gripe are sure to enable him to continue to make fast friends and to make a success of himself in life.

Best of luck to Norwood wherever he goes.

NATHANIEL COLEMAN BRYDON
7405 THREE CHOPT ROAD

SEVEN YEARS - Vice-President of Dramatics Club, Glee Club, PINE NEEDLE staff, Lee. - "Lover", in his seven years at St. C., has established a reputation as one of the class brains (not to mention his carryings-on at the "Land"). He received a Certificate of Merit from the National Merit Scholarship Corp. He has been active in the Dramatics Club and this year served as Vice-President. Coolie leaves his harem for the new frontier. It is agreed that many hours of wailing and gnashing of teeth will be spent by all concerned (the number is too numerous to list here).

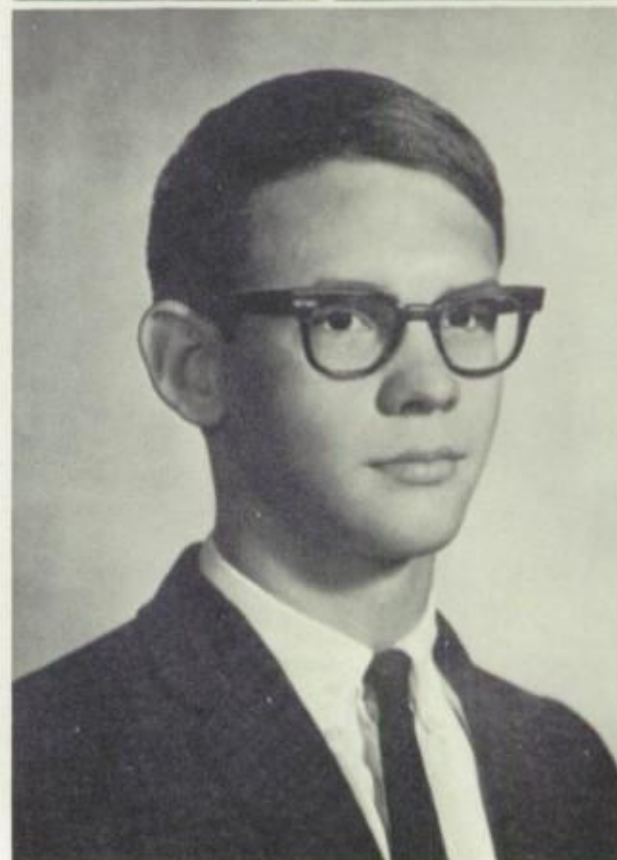

No doubt that Coleman will encounter nothing but success at W&L next year.

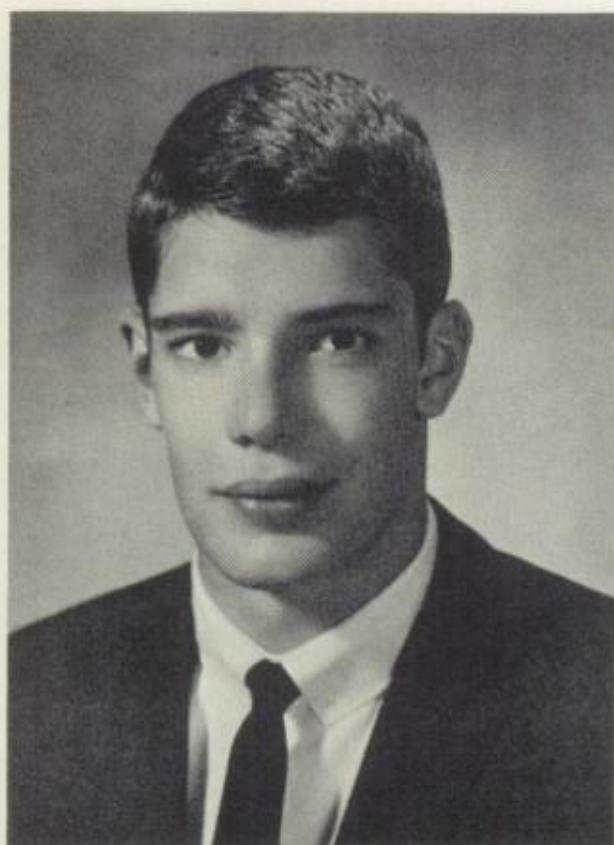

ROBERT STROTHER BUFORD
1149 WEST AVENUE

SIX YEARS - Student Council, Honor Council, Vice-President of Missionary Society, Glee Club, Dramatics Club, Cheerleader, RAPS AND TAPS business staff, PINE NEEDLE cartoonist, Secretary of Senior Class, Varsity Wrestling, Jackson. - There he stands, ladies and gentlemen, the little mighty might of St. C., the picture of success. Rob took on a great deal of extra-curricular work this year and, performing it well, was a real asset to the school. He is one of those fellows who never lets anything make him lose his composure. Rob's amorous alliance with a little "foreign" lass has been a great object of admiration this year and we expect it to continue.

Next fall Rob leaves the Fan District for New Haven and we wish good fortune to accompany him.

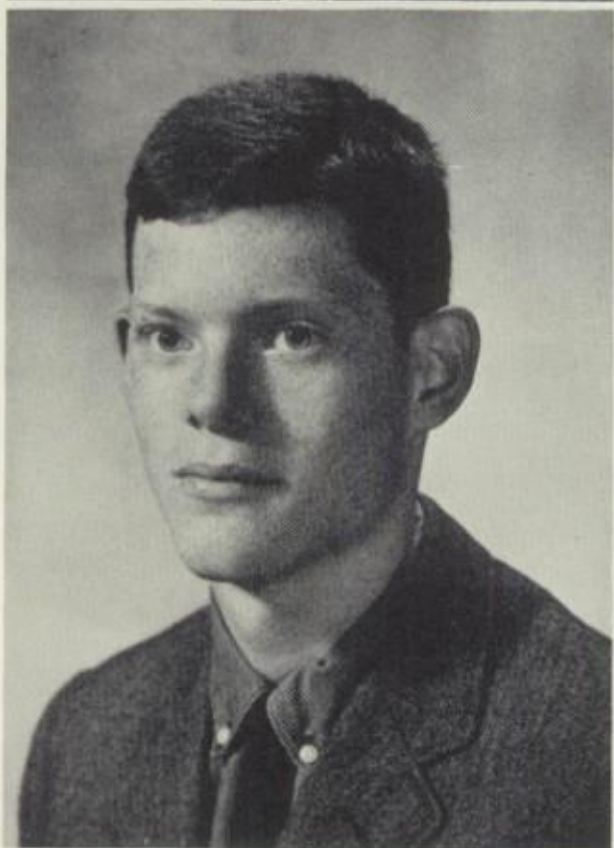

JAMES STEVEN BUIS
8906 ALENDALE ROAD

THIRTEEN YEARS - PINE NEEDLE news editor, Missionary Society, Debating Club, Monogram Club, Varsity Football, Varsity Basketball, Varsity Track, Lee. - Making use of a unique pathfinding device and an IBM computer, located behind his bespeckled and grim visage, "Radar" has established himself as the concentrator of the class. He has proved his worth as an athlete, in football, basketball, and track, and as a scholar and a gentleman. Although laming during both his years on the football team, Radar earned the reputation of a "never-say-die" man.

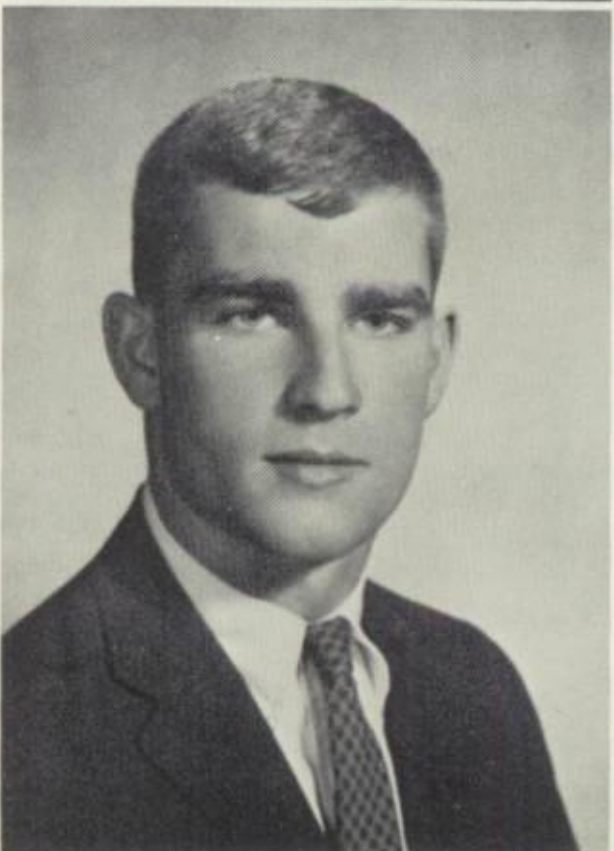

Best of luck to Steve next year in the long gray (and grim) line.

RICHARD SHERWOOD CATES
2108 STUART AVENUE

ELEVEN YEARS - Varsity Soccer, Jackson. - In his eleven years, Rick has gone his own way, oblivious of all circumstances. The epitome of nonconformism, Rick ignores the dictates of the administration with a regularity that resembles obsession. We often wonder what would be sufficient stimulus to get him to wear a coat and tie (and white shirt) on picture days or to arrive at school on time. The school will lose an irreplaceable "character" when Rick leaves.

Rots of Ruck to him next year.

WILLIAM CABELL CHILDREY
8916 BRIERYLE ROAD

THIRTEEN YEARS - Secretary of Student Council, Secretary of Honor Council, Director of Missionary Society, Vice-President of Monogram Club, Glee Club, Varsity Football, Varsity Basketball, Captain of Varsity Baseball, Jackson. - "Fast Bill" is another one of those "not-so-many-of's". His combination of conscientious work and fine athletics has won him fame. Behind that quiet, modest face, lies a beast who tears apart anything that it comes in contact with. He is noted for his 90-yard heaves, 30 ft. shot puts, and dashing slides into home plate. He is the deviser of many devilish schemes and the "who me" look. Bill also devised the ingenious method of detecting Dr. Bugg's presence in the cloakroom.

Bill hopes to make the scene at W&L next year.

SAM DAVIS, III
CLARKSVILLE, VIRGINIA

TWO YEARS - Dramatics Club, Varsity Football, Varsity Track, Monogram Club, Lee. - "Young Sam" combines in his flamboyant personality to great qualities of patience, perseverance, and joviality. Although with us only two years, Sam has become an important cog in the machinery of the school as first chairman of the new Boarders' Council. Proving himself on the playing fields of Finals, Sam has also become a true party-boy in the established St. Christopher's tradition.

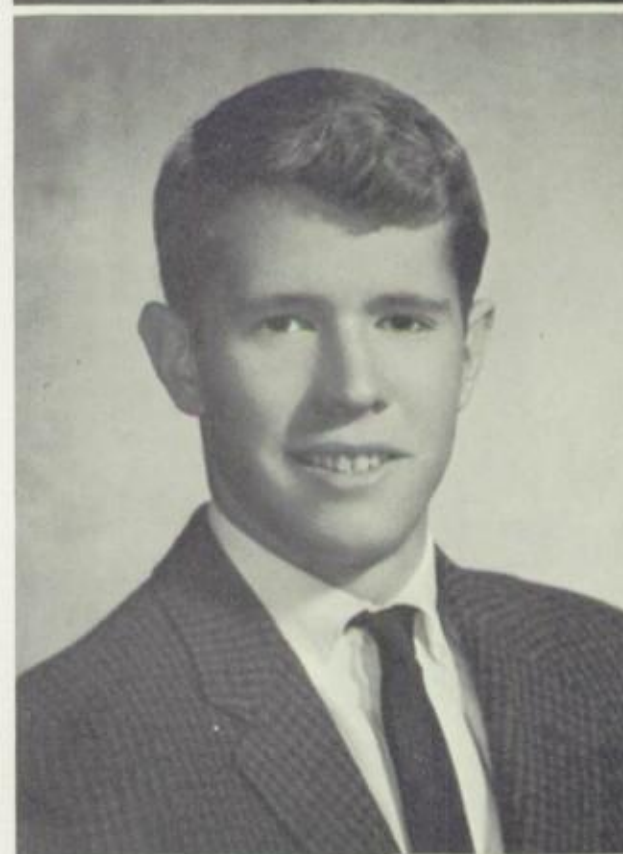

We wish Sam all the luck available during his coming long year at the Naval Academy.

ALFRED JAMES DICKINSON
6101 THREE CHOPT ROAD

THIRTEEN YEARS - Co-Editor of PINE NEEDLE, Director of Missionary Society, Captain of Varsity Tennis, Varsity Basketball, Jackson. - "Drool", a member of the elite "brain trust" located in the upper echelon of the class, outdid himself this year by winning a Letter of Commendation from the National Merit Scholarship Corp. A starter on the basketball team, "Drool" is also the Captain of the tennis team. Al's seemingly good character is marred only by his editorship of the inferior publication. As a member of the student body of St. Cat's, "Drool" has reportedly achieved the standing of "one of the girls".

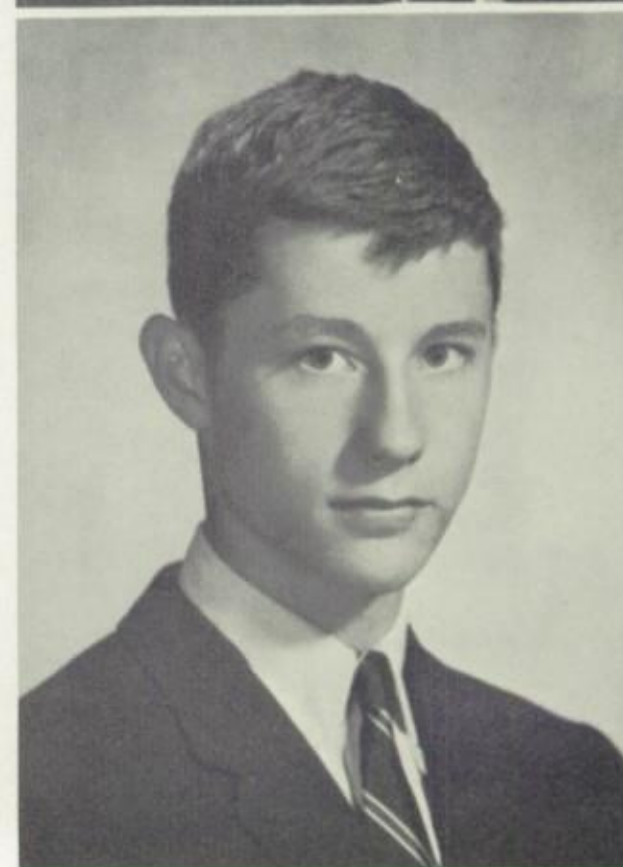

Best of luck at Princeton next year, Al.

HARLEY WENTWORTH DUANE
503 SOMERSET AVENUE

NINE YEARS - Glee Club, PINE NEEDLE staff, Varsity Basketball, Varsity Baseball, Monogram Club, Lee. - Hank, the inevitable loser at cards and winner at love, has been the greatest entertainer to perform in the C-Club for many a year, enthralling his audience for hours on end with stories of his amorous exploits. As a starter on both basketball and baseball teams, Hank has proved his worth as an athlete and is sure to be good college material.

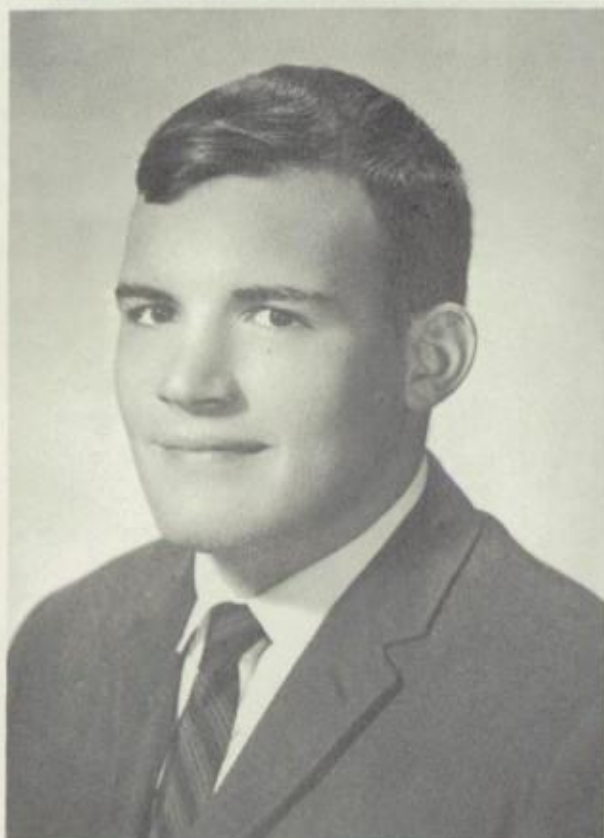

VMI's loss is sure to be St. Christopher's gain. Just kidding, Hank. Good luck next year at the Institute.

HARRY WATKEY EASTERLY, III
6300 THREE CHOPT ROAD

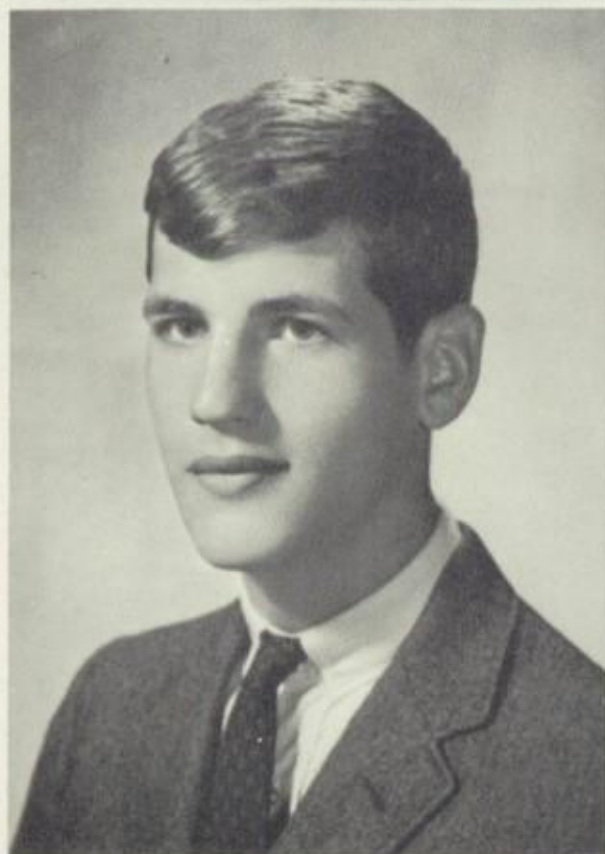

THIRTEEN YEARS - Chairman of Honor Council, Chairman of Student Council, President of Jackson Literary Society, Director of Missionary Society, President of Senior Class, Co-Captain of Varsity Football, Varsity Wrestling, Varsity Track, Monogram Club, Editor of RAPS AND TAPS, Dramatics Club. During his thirteen years at St. C., Cap has made a record envied and respected by all. Never has a boy done so much so well. Whether in the classroom or on the athletic field, Cap leads the group. He is never too busy to listen to your problems or to offer that needed encouragement. Usually seen in the red jeep, he fancies himself quite a ladies' man. We are sure that Cap, at VMI next year, will uphold the high honor and tradition there and that he will establish another envied record. Best of luck, Cap.

EUGENE WILMER FORD, III
204 CANTERBURY ROAD

FIVE YEARS - PINE NEEDLE business manager, Director of Missionary Society, Vice-President of Debating Club, HIEROGLYPHIC staff, Glee Club, Varsity Football, Co-Captain of Varsity Wrestling, Monogram Club, 1962 Winner of Public Speaking Contest, Jackson. - "Beans," sometimes called "Frijole", is noted for his record of escapes from Study Hall, and he dares anyone to match it. As an "exchange" student, he ranked high in his Spanish class. Beans served as wrestling co-captain and was an inspiration to his teammates. His individual record was a very commendable 9 - 3. Undoubtedly, Beans will also leave some crying at the "Land".

Good luck to you at the "Colegio de los Purple Cows" next year, Frijole.

THOMAS NOEL FOX
AYLETT, VIRGINIA

FIVE YEARS - Glee Club, HIEROGLYPHIC staff, Varsity Cross Country, Varsity Soccer, Smoking Club, Lee. - Noel's quiet personality has been noted by all. Quiet, modest, unassuming, this lad has all the women snowed. In his five years at St. C., he has had a turnover of girls that no one can approach in number. Noted for his trip to Florida, Noel claims that he was the first of the gang to go. He is also a four year man in the S-Club, which is a record in itself.

Best of luck next year, Noel.

RICHARD KENNON GUERRY
BOX 398, ROUTE 2

THIRTEEN YEARS - PINE NEEDLE staff, Varsity Football, Co-Captain of Varsity Wrestling, Varsity Track, Monogram Club, Lee. - Ken is one of those guys whom we like to see around. Always ready with a joke, Ken has helped us all to keep our sense of humor in trying times. He was Co-Captain of the wrestling team and his 9-2-1 record speaks for itself. His track ability matches his wrestling talent. Noted for his ability to select turkeys, Ken was instrumental in organizing the Monogram Club Dance fiasco. He is also to be congratulated for importing "Rikki and the Romans" for the highlight of the winter social season.

Already improving on the enviable record set by "Doops", Ken is certain to continue this trend at Yale next year.

CHARLES MOSELEY GUTHRIDGE
206 AMPHILL ROAD

SEVEN YEARS - President of Debating Club, Co-Sports Editor of PINE NEEDLE, Dramatics Club, Captain of Varsity Soccer, Manager of Varsity Football, Varsity Baseball, Monogram Club, Jackson. - Here is a boy who will be remembered by all in years to come. Charlie is one of those fiery competitors who never says die. His hustling spirit on and off the athletic field has been an inspiration to all. His jocular personality has lifted many a depressed student back to his old self. "Guts" is one of those guys you cannot help admiring. Noted as a great loser at cards, Charlie has contributed to many pocketbooks as a result. He served as Captain of the fledgling soccer team and led the boys to a 5-2 season.

Best of luck to a doggone nice guy.

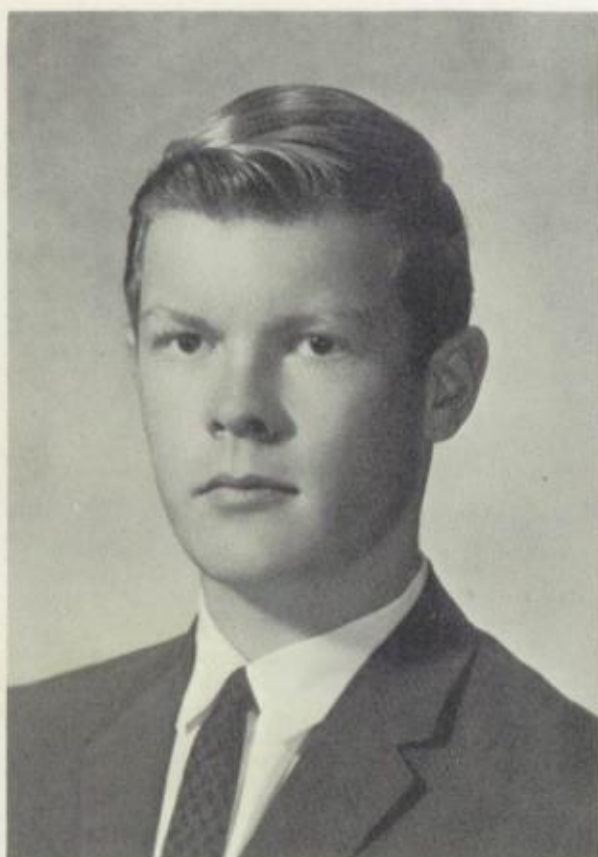

JOHN HENRY GUY, III
1519 HANOVER AVENUE

SIX YEARS - Dramatics Club business staff, Debating Club, Varsity Football, Varsity Track, Lee. Giovanni, debater extraordinary, leaves the "schule" amid the clamorous objections of all the faculty members, especially Mr. Boynton, who laments the loss of so fine a "goof-off" squad member. Always ready with an unbelievable tale of something that happened to a "guy he knows", Johnny has proved to be a quiet snowman with the women. Even though doubling this year as a "gore chaser", his grades have enabled him to enter U. Va. next year.

Happy hunting, John Henry.

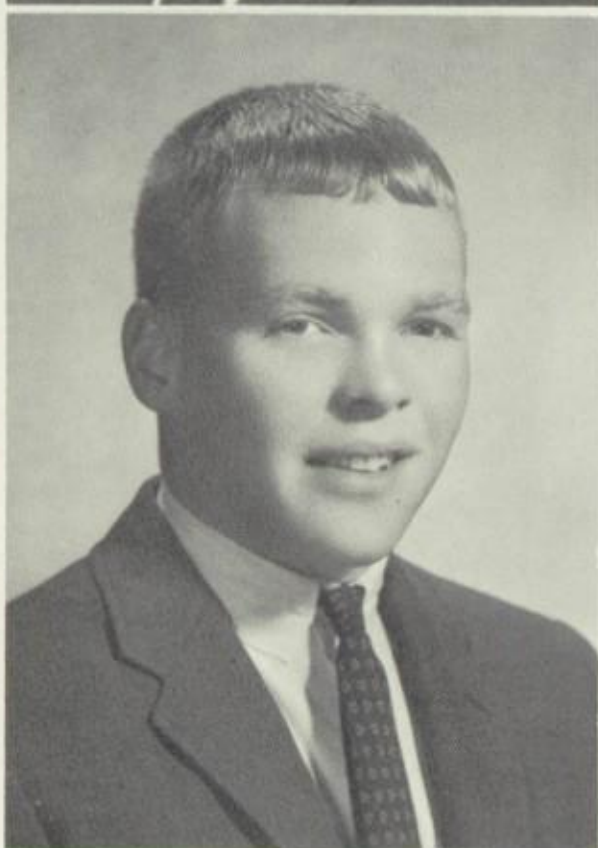

JAMES TAYLOE GWATHMEY
CHARLOTTESVILLE, VIRGINIA

FOUR YEARS - Varsity Soccer, HIEROGLYPHIC business staff, Smoking Club, Lee. - Jim in his four years at St. Christopher's has proved himself in his school work as a scholar, and his participation in sports has rounded out his fine character. He has participated in football, wrestling, soccer, and baseball. Jim has taken a leading part in work on the new literary magazine, the HIEROGLYPHIC, and was one of it's founders. Always ready to greet anyone with a smile, Jim is noted for his joviality and good (??) jokes.

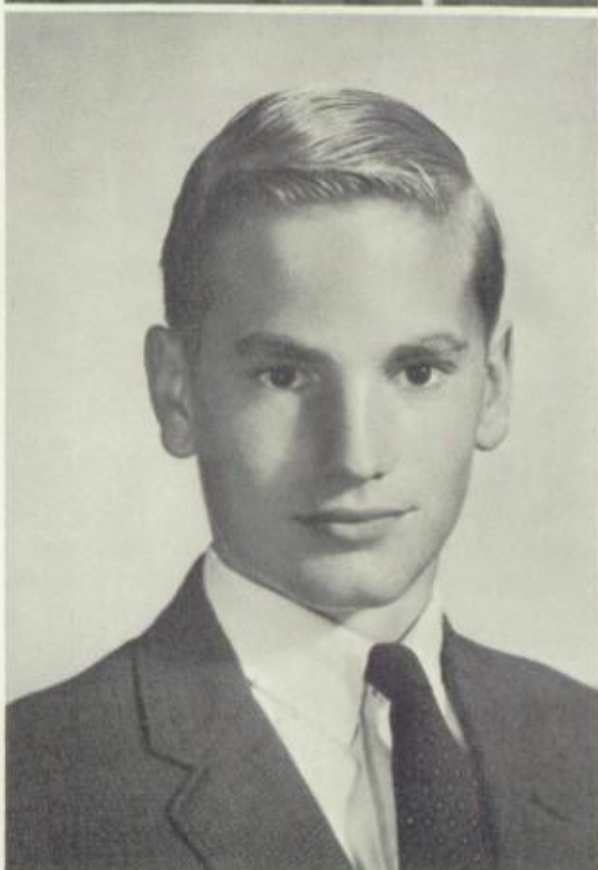

We wish the best of luck to Jim next year at Carolina.

GEORGE EDWARD HARRIS
6306 RIDGEWAY ROAD

SIX YEARS - Cheerleader, Varsity Track, RAPS AND TAPS business staff, Glee Club, Dramatics Club, Lee. - "Immature" has certainly established himself at St. C. as our class' greatest poet. Ready to compose at the drop of a can, "G" is sure to endear himself to his associates wherever he goes next year. Always ready to give of his time and effort, "G" has been an outstanding cheerleader and member of the Glee Club. George plans to be an architect, and, with Janie as a consultant, we are sure he will do well.

Best wishes in your endeavors, George.

WILLIAM HARLAE HOOFNAGLE
111 SOUTH WILTON ROAD

THIRTEEN YEARS - Cheerleader, Glee Club, Varsity Soccer, Varsity Tennis, Monogram Club, Lee. - An outstanding student, Billy, sometimes called Holofernes, has always been a leader in the class in the academic departments. Although he hangs around with a pretty shiftless crowd (Vaughan and Priddy), he contributes a great deal to the school through his extra-curricular activities, such as cheerleading.

We hope that Bill will continue to distinguish himself at Washington and Lee next year.

WALTER JAMES, III
ATLANTA, GEORGIA

TWO YEARS - Dramatics Club, Ex-Officer, Debating Club, Asst. Business Manager HIEROGLYPHIC, Mirth Editor of PINE NEEDLE, Varsity Cross-Country, Varsity Wrestling, Member of Boarders' Council, Jackson. - Walter is one of those boys who knows what is right, and stands up for what he thinks. He has real nerve. In his two years he has elevated himself to a high position in the eyes of his classmates. He served a key note in getting the newly formed Boarders' Council off to a good start. Always eager to join into a conversation, he has consistantly had good ideas to aid in the discussion of a problem. His receipt of a National Merit Scholarship letter of recommendation speaks for his schoolwork.

Wissy is heading for Georgia Tech for the winter. Be seeing you as a ramblin' wreck and a HECK of an engineer.

EDWARD EMERSON LANE JR.
6301 RIDGEWAY ROAD

THIRTEEN YEARS - Varsity Track, Varsity Football, RAPS AND TAPS Staff, Jackson. - Watch out girls! Here he comes! It's that man himself, "Weedler" Lane. Known as the fastest talker in and out of class, Eddie overcomes his fellow conversationists by uttering unintelligible phrases with such rapidity that they are unable to comprehend what he is saying. The girls find out soon enough. Eddie has wowed 'em from Richmond to Va. Beach and back to Petersburg. He has distinguished him-self in Society Meetings by saying the same poem seven years in succession. Eddie played end on the football team and ran the 440 in track.

Heading for "WAHOO" land next year, Eddie intends to pursue his foremost pastime,-----.

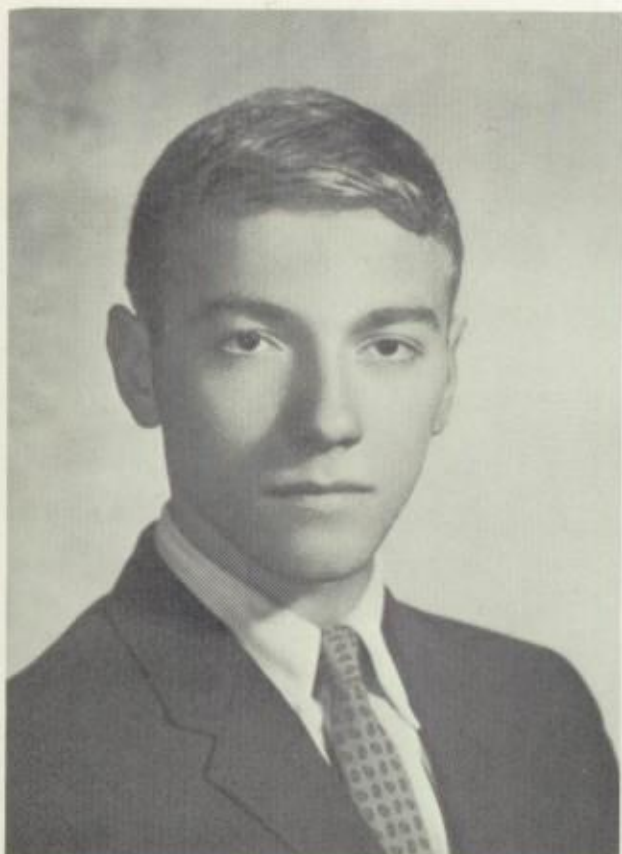

CLAIBORNE WATKINS MINOR
402 HENRI ROAD

FIFTEEN YEARS - Student Council, President of Missionary Society, President of Monogram Club, Glee Club, Dramatics Club, RAPS AND TAPS Staff, Varsity Basketball, Co-Captain of Varsity Football, Varsity Baseball. - The greatest compliment that can be paid to Clay is that he is the world's greatest friend. Always ready to help anyone in need, the big man carries with him the affection of all who come in contact with him, excluding females. Clay is, without a doubt, the most versatile athlete of the class and is a great college football prospect. Claiborne has the quickest wit greatest sense of humor to hit St. Chris. since Dr. Flanagan.

"Baby" Clay follows the Minor tradition at VMI, and we wish all the luck in the world to him.

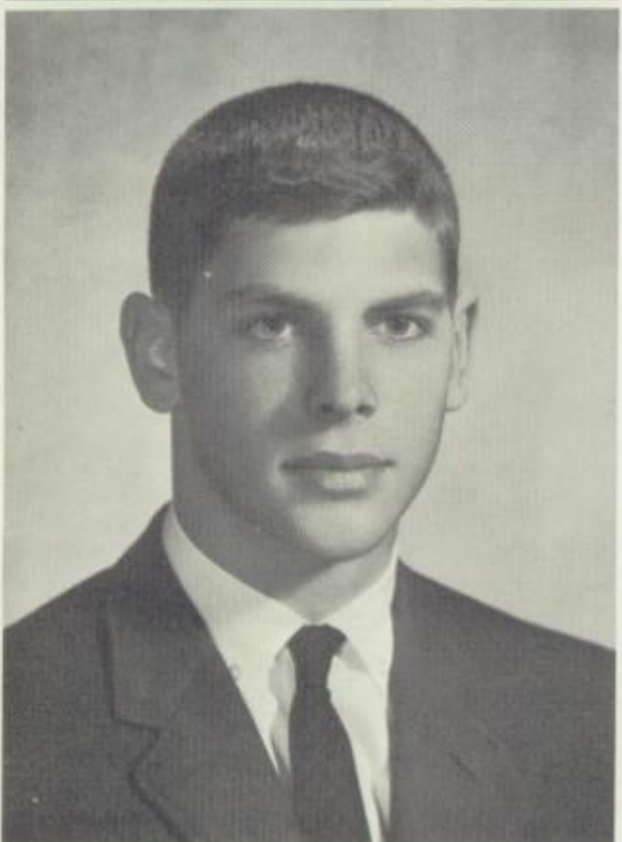

WILLIAM DONALD MOORE
COATS, NORTH CAROLINA

FIVE YEARS - President of the Lee Literary Society, President of the Glee Club, Secretary of the Smoking Club, Editor of the HIEROGLYPHIC, Dramatics Club, PINE NEEDLE staff. - During his five years, Billy has involved himself in almost every place of activity in the school. Billy made a name for himself as one of the founders of the literary magazine, and was this year's editor.

We wish Billy the best of luck next year at Carolina and are sure he will do well.

JOSEPH EDWARD PARKER, JR.
209 EL DORADO ROAD

FIVE YEARS - PINE NEEDLE staff, Varsity Football, Varsity Soccer, Varsity Baseball, Monogram Club, Jackson. - Jocular Joe, the man who is always thinking about his harem instead of his homework, leaves behind a string of skipped Study Halls, but takes along his ability with the women. Joe contributed a great deal to the football team for two years as star fullback and was an outstanding participant in soccer and baseball. One of the Parker Parker's, Joe naturally has the undaunted ability to involve himself in unsolvable situations and to come out virtually unscathed.

Good luck at Hampdy-Dampdy, Joe.

JAMES RUSSELL PARKER, III
304 EL DORADO ROAD

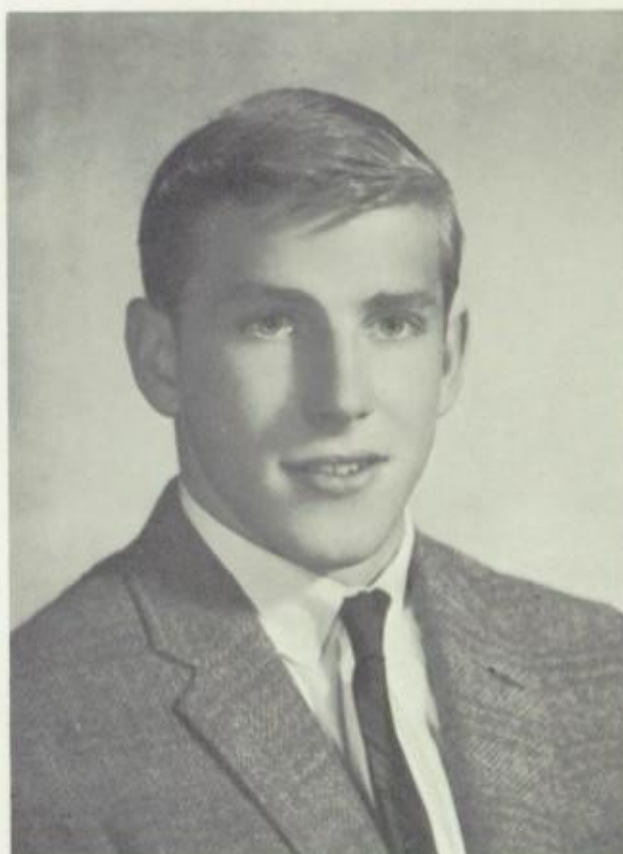

FIVE YEARS - PINE NEEDLE sports editor, Co-Captain of Varsity Basketball, Varsity Baseball, Jackson. - Russ, alias Goofy, has been with us five years and has become a favorite with all. Often seen in the blue Ford, he has caused the name of River Road to be changed to "Thunder Road". Russ served as captain of the basketball and carried more than his share of the load. He is also a top-rate second-baseman and has given Coach Brinkley many occasions to smile. Serving as sports editor of the PINE NEEDLE, he did a fine job of reporting.

Russ tried to get into Mount Holyoke but will have to settle for Hampden-Sydney. Best of luck, Goof.

DABNEY LANCASTER PASCO
209 AMPHILL ROAD

THIRTEEN YEARS - Varsity Football, Varsity Wrestling, Co-Captain of Varsity Track, Monogram Club, Lee. - "Delirious Delinquent", always at odds with the administration, is greatly esteemed among his fellows for his innate ability to extricate himself from precarious situations. Dabney has undoubtedly the greatest wrestling ability of any boy ever to attend St. C., lettering first as a third former, and would certainly have been undefeated for the last two years if he had not been thrown by a serious shoulder injury. Dab has also been a stalwart trackman for three years and this year is a co-captain of that team.

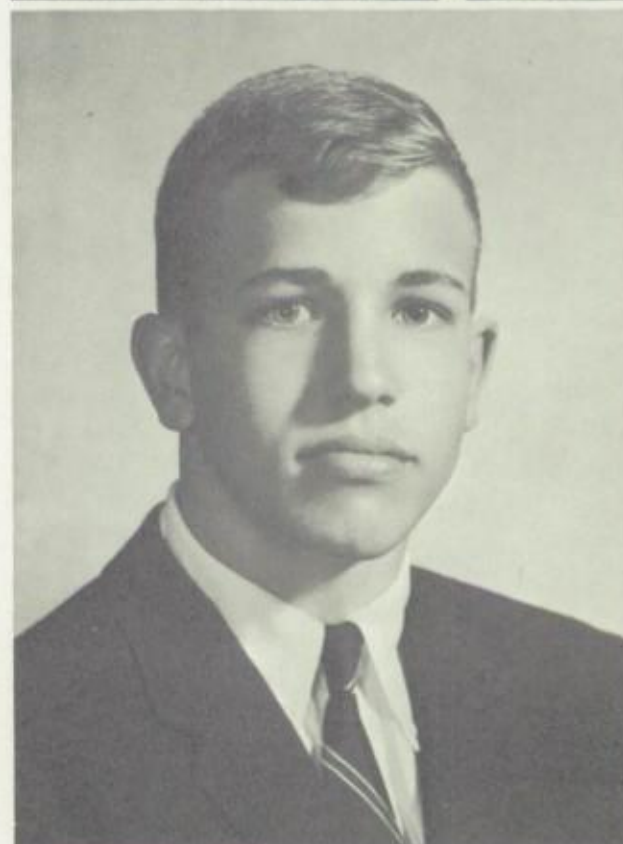

Merry marching next year at VMI, D.L.

ROBERT BRACKETT PRIDDY
1404 BELLVUE AVENUE

THREE YEARS - RAPS AND TAPS business staff, Secretary of Debating Club, Dramatics Club, PINE NEEDLES staff, Varsity Baseball, Varsity Soccer, Lee. - "Bashful Bob", commonly known as the snake, has left his mark on the school. Always ready with a wise (or otherwise) remark, Bob does a great impersonation of a colorful character . . . himself. Bob's love life has been restricted to the girls of his friends. (Don't worry, Rob isn't still mad at you) As one of Buckwheat's boys, he has botched more labs than any other student. In his three years here, Bob has achieved a high scholastic rank in the class.

Undoubtedly, Bob will continue his winning ways at W&L next year.

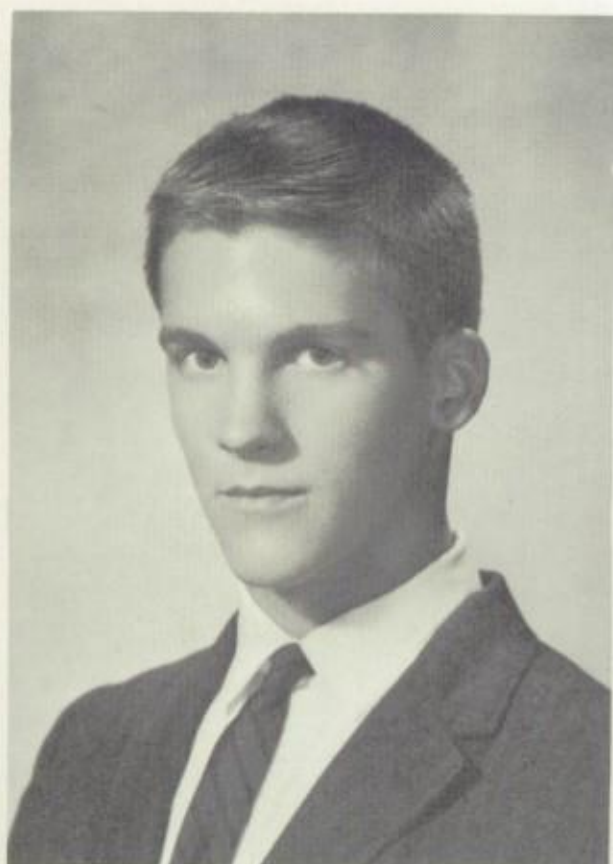

CAMPBELL CARY REA
"AMPHILL FARM", VIRGINIA

SEVEN YEARS - Student Council, Director of Missionary Society, Captain of Cross Country, Monogram Club, Jackson. - "Work, work, work" is Cary's motto. Not satisfied with proving himself the most intelligent man in the class, Cary has applied his superior determination to athletics and has turned himself into a reliable distance runner. He was the captain of the Cross Country team this year and is sure to excel in the mile this spring. As a Student Councilor, Cary has been a tremendous asset to that body, injecting bits of his dry wit in the meetings on several occasions.

Good luck at Bowdoin next year, Ski King.

ALEXANDER HAMILTON SANDS, III
6105 WESLEY ROAD

THIRTEEN YEARS - Co-Editor of PINE NEEDLE, Dramatics Club, Varsity Track, Varsity Cross-country, Monogram Club, Director of Missionary Society, Lee. - Terry is best known for his excellent work in turning out the ah. . ., the ahh. . ., the ahhh. . ., oh yes, the PINE NEEDLE. We all are deeply appreciative of his diligence as co-editor. He has been active in the Dramatics Club and has done well in cross-country. He is one of the top ranked in this year's class. He received a letter of commendation from the National Merit Scholarship Corporation and was runner-up in his junior year for the Moore French prize. He was also runner-up in the scholarship competition in his sophomore and junior years.

We are sure that he will do well anywhere.

RANDOLPH MOOERS STEVENS
8006 CAMERON ROAD

THIRTEEN YEARS - Business Manager of the RAPS AND TAPS, Glee Club, Cheerleader, Varsity Cross-country, Varsity Track, Monogram Club, Lee. - A zealous worker, Randy did a fine job as Business Manager of this RAPS AND TAPS. When not using his smooth talking mouth to sell ads or to woo the "prettiest girl in the city," he did a great job of cheerleading. A sports car enthusiast, Randy spends most of his timetinkering with his red ant. Somehow, he always seems to get a car into the occasion whether it be at a Homecoming Game or at a dance.

Next year, Randy hopes to become an Eli, and major in pre-Med. We wish him the best of luck, and we are sure that he will continue his fine record.

THOMAS DUDLEY STOKES, III
5404 CARY STREET ROAD

SEVEN YEARS - Head Photographer RAPS AND TAPS, Varsity Football, Varsity Baseball, Varsity Soccer, Glee Club, HIEROGLYPHIC staff, Jackson. - "T.D." is probably one of the most amiable people in the world. His quiet manner attracts many people; both male and female. During his seven years at St. C., Tommy has taken an active part in all phases of school life. He is almost solely responsible for all the snapshots that will appear in this year's annual. On the athletic field, his ability is somewhat under-rated. He was a stalwart on this year's soccer team, and he is expected to give the baseball team added depth at shortstop.

Consistently in the upper half of the class, Tommy has been accepted at Virginia where he will surely be successful.

JAMES ALFRED TYLER, JR.
CHARLES CITY, VIRGINIA

SIX YEARS - Varsity Football, Varsity Soccer, RAPS AND TAPS staff, Dramatics Club, Lee. - No matter how hard you try, you cannot find a nicer guy. This jovial country boy has made quite a name for himself at St. C. Usually found with a camera in one hand and a '63 Collegiate ring on the other, Jim has caught many a student in an inexplicable position. Never too busy to help his friends out, his most noted accomplishment was his victorious mat appearance against Woodberry. Jimmy shines in two ways: in the classroom and in the woods of Charles City County.

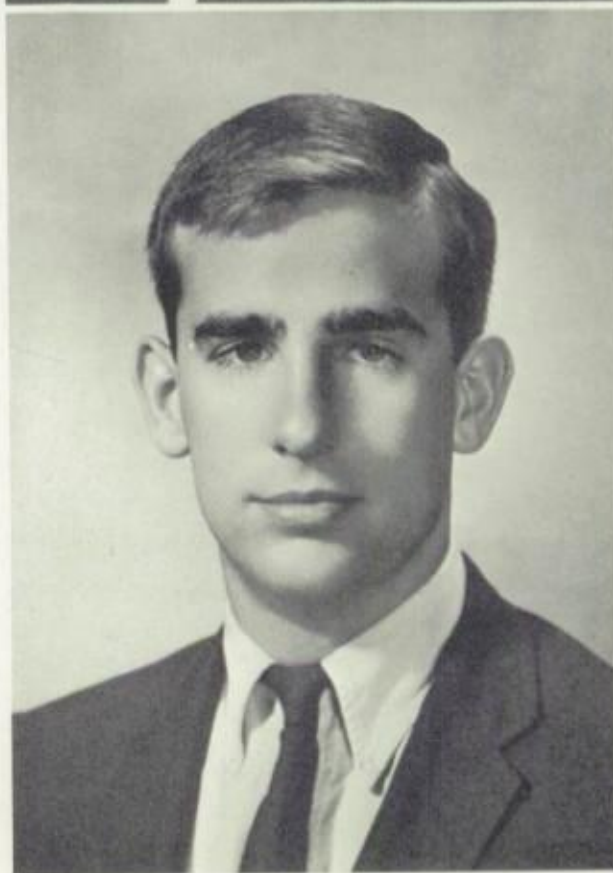

He plans to attend either W&L or U. Va. next year. Which ever university gets him will benefit from his presence. Lots of luck to a real Southern Gentleman.

WILLIAM ROPER VAUGHAN

SIX YEARS - Glee Club, RAPS AND TAPS subscription manager, Varsity Soccer, Cheerleader, Lee. - "Julius", the renowned leader of the Vaughan, Priddy, and Hoofnagle Triumvirate, would be an asset to any class. Roper's casual manner has won him many friends during his six years at the school. One of the most conscientious members of the class, he usually begins his vacations a day earlier than his classmates. When not hitting the books, he pounds on his "88" with the fabulous "Tempests". As a cheerleader, W. R. did much to contribute to the fine school spirit of this year.

Next year, Roper will attend W&L where we are sure he will continue his fine work. Good luck, Roper.

We could say a great deal about our admiration for Miss Henderson, but it will suffice to say that she has been the backbone of the Lower School. Election to the Honor Council constitutes not only the greatest honor, but the greatest responsibility bestowed on a boy at Saint Christopher's. The Councilors are elected by the Student Body to guard our most precious legacy, the Honor Code. Although the Council's main objective is to prevent any breaches of the Code, its primary function is to hear the cases of those charged with infractions.

This year Cap Easterly was elected Chairman of the Council and Bill Childrey, Secretary. Mr. Brinser and Mr. Moore served as faculty advisors.

SITTING: Bill Babcock, Rob Buford, Bill Childrey, Cap Easterly, Cary Rea, Claiborne Minor. STANDING: Guy Horsely, Craig Bailey, Brad Davenport, Louis Ryan, Leroy Smith, Cary Gresham, Frank Easterly, Reg Bedell.

STUDENT COUNCIL

The Student Council was founded fourteen years ago, and in the years which have followed it has established itself as one of the most important of the school's organizations. Its primary purpose has always been to better student-teacher relations, and it does so in many ways. The councillors hold study halls and maintain order in the library so that the members of the faculty may spread their time doing more constructive jobs. They also supervise dances and usher at school functions. The council discusses students' recommendations, and those with merit they pass on to the administration. Members are elected from students in the Upper School by the student body and by the council itself.

This year Cap Easterly has servedably as Chairman and Bill Childrey, as Secretary. Mr. Wilbur Bailey and Mr. James Hanes are the faculty advisors.

It is our hope that all councils in the future may serve as well as this one has.

The Directors of the Missionary Society are student representatives elected from the Sixth and Seventh Forms. Ten are Seniors and four are juniors. The Directors hold chapel services weekly, and, with Mr. Beckwith, the faculty advisor, they guide the Missionary Society, whose membership includes the entire student body. The charities which the Society supports are too numerous to list. Claiborne Minor is the president of the Society, Rob Buford, the vice-president, and Dick Morgan, the secretary.

The Dramatics Club set a new precedent this year by presenting three full-length plays. In December, Bobby Hutchinson played the title role in a comedy, "Everybody Loves Opal." In March, the St. Kits Players put on Shakespeare's "Coriolanus." Rumor has it that this was the first time that the lesser known tragedy was produced in Virginia. In June, Bernard Shaw's "Androcles and the Lion" is to be presented. Rob Buford (Androcles) and Charles Ewing (the Lion) will star.

SAINTS 7

BENEDICTINE 25

After a bitterly fought first half, Benedictine led 6 to 0. In the third quarter the Cadets turned a recovered fumble and an interception into twelve more points. The Saints came roaring back as the fourth quarter began and drove sixty-five yards for a touchdown. Holding the Cadets, they regained the ball, but time was against them, and a Saint gamble led to a Cadet interception and touchdown. Hoppy Ancarrow, Dick Bowman, and Co-Captain Cap Easterly led the Saints in the opener.

SAINTS 34

ST. STEPHEN'S 6

The Saints bounced back to even their record by routing the Saints from Alexandria. The Saint offense was irresistible as Ancarrow scored on runs of 35 and 85 yards, Dick Morgan on two from 25 yards out, and Charlie Blanton on one starting on his own five (longest of the season). "Toe" Perkins ran his placement record to 6 out of 7. Leading the forward wall were Co-Captains Clay Minor and Cap Easterly, and end Joe Caldwell.

SAINTS 14

COLLIGIATE 0

In the first game of what appears to be a great rivalry, the Saints simply overpowered the Cougars. The defense did not give up a first down until late in the second half. In spite of nearly 200 yards in penalties, the Saints managed to push over two touchdowns (both by Ancarrow). Other standouts were Minor, Caldwell, and sophomore Hugh Tompkins.

The Saints gave the boys from "The High School" a good scare when they took the opening kickoff and drove for a score via Bill Childrey's passing arm. Greatly outweighing the Saints, the Maroons came back with three touchdowns in the second quarter. Ancarrow and Morgan scored for the Saints. The team had the small satisfaction of knowing that their 19 points were the greatest number scored on the Maroons all season.

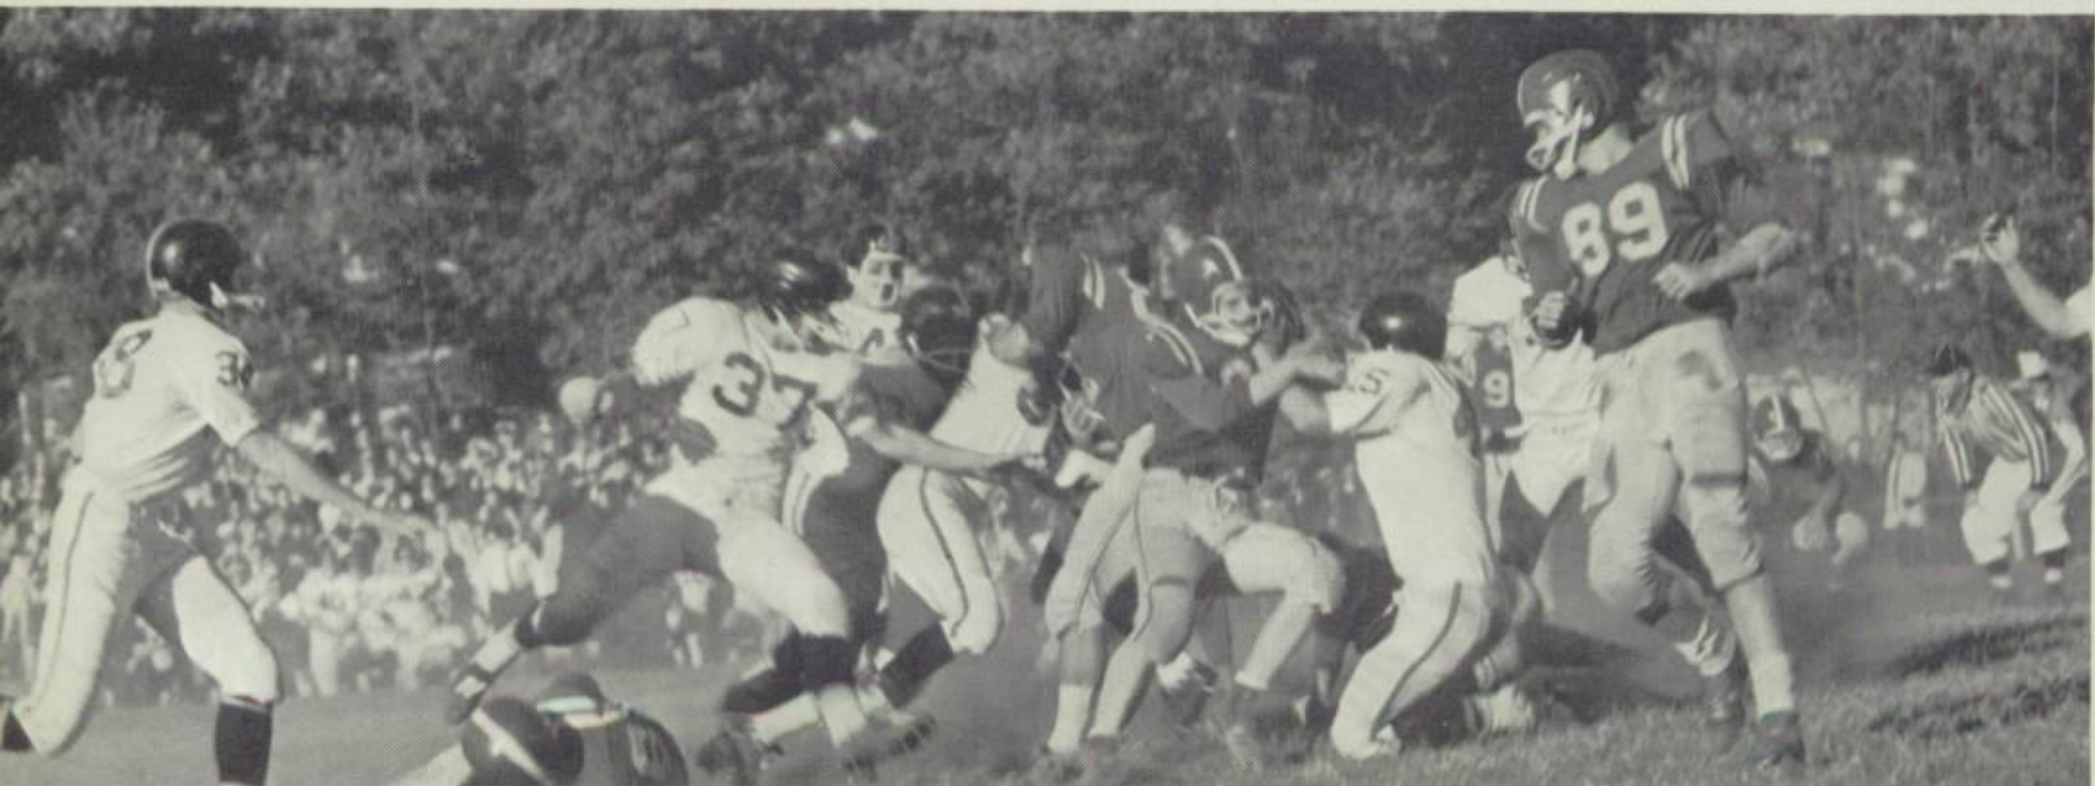

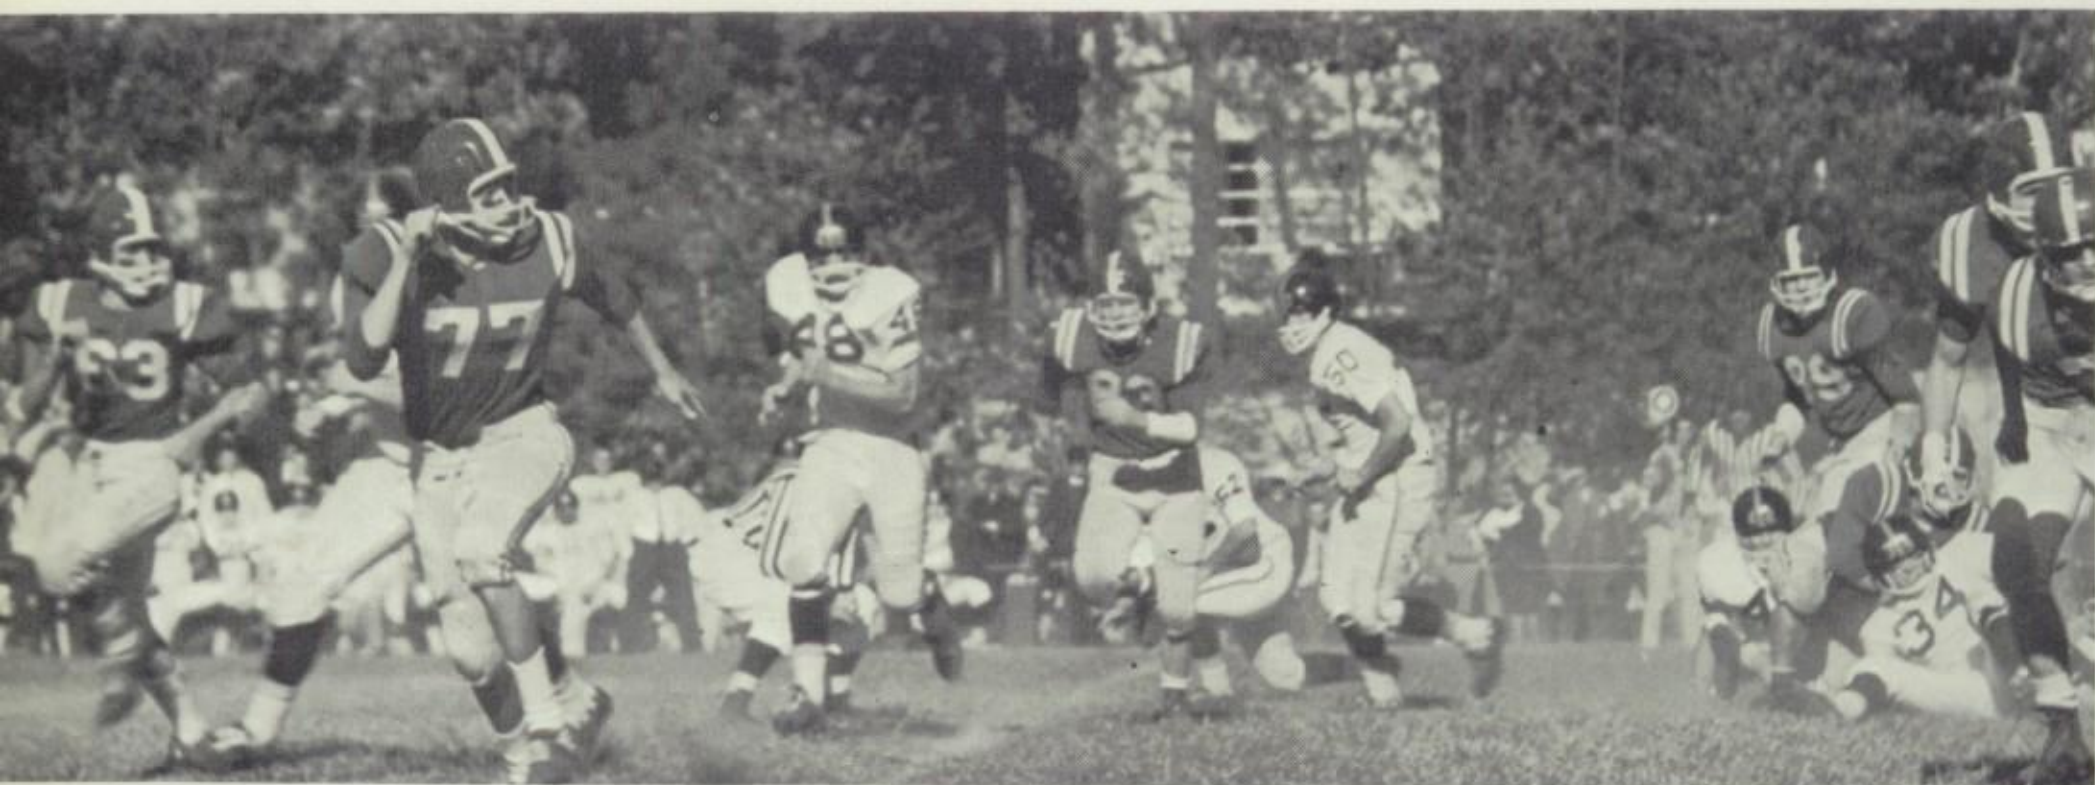

The Saints pushed their record to 3 and 2 by soundly defeating Fishburne Military Academy. The Saint defense led by guard Doc Frank and safetyman Ken Guerry was scored upon only in the last few minutes of the fourth quarter, when the game was won. In the meanwhile, Hoppy Ancarrow put on the most spectacular offensive show of his career. He carried the ball 19 times for 293 yards and 2 touchdowns. The area sports-writers acknowledged his efforts by naming him "back of the week" in the metropolitan area.

SAINTS 0

WOODBERRY 26

The Homecoming was the major disappointment of the season for the Saint team. They were plagued by ruinous mistakes; resistance against the powerful Tiger offense was ineffective at best, and no real offensive threat was ever mounted. Halfback Joe Parker played a magnificent game and kept the team on the field during the first half. Woodberry scored all 26 points in the first half, which showed that the Saints were definitely a second-half ball club.

SAINTS 0

R. M. A. 6

At Front Royal, the Saints and the Yellow Jackets fought a bitter battle in the mud during a snow storm. The Yellow Jackets scored their only touchdown in the second quarter. The Saint's offense came alive in the second half and threatened on several occasions, but they were never quite able to gain the impetus required to score. Nevertheless, the Saints played a whale of a ball game, and the Yellow Jackets and their Homecoming crowd knew it. Halfback and linebacker Dick Morgan and center Cap Easterly led the Saints on both offense and defense.

SAINTS 7

NORFOLK ACADEMY 0

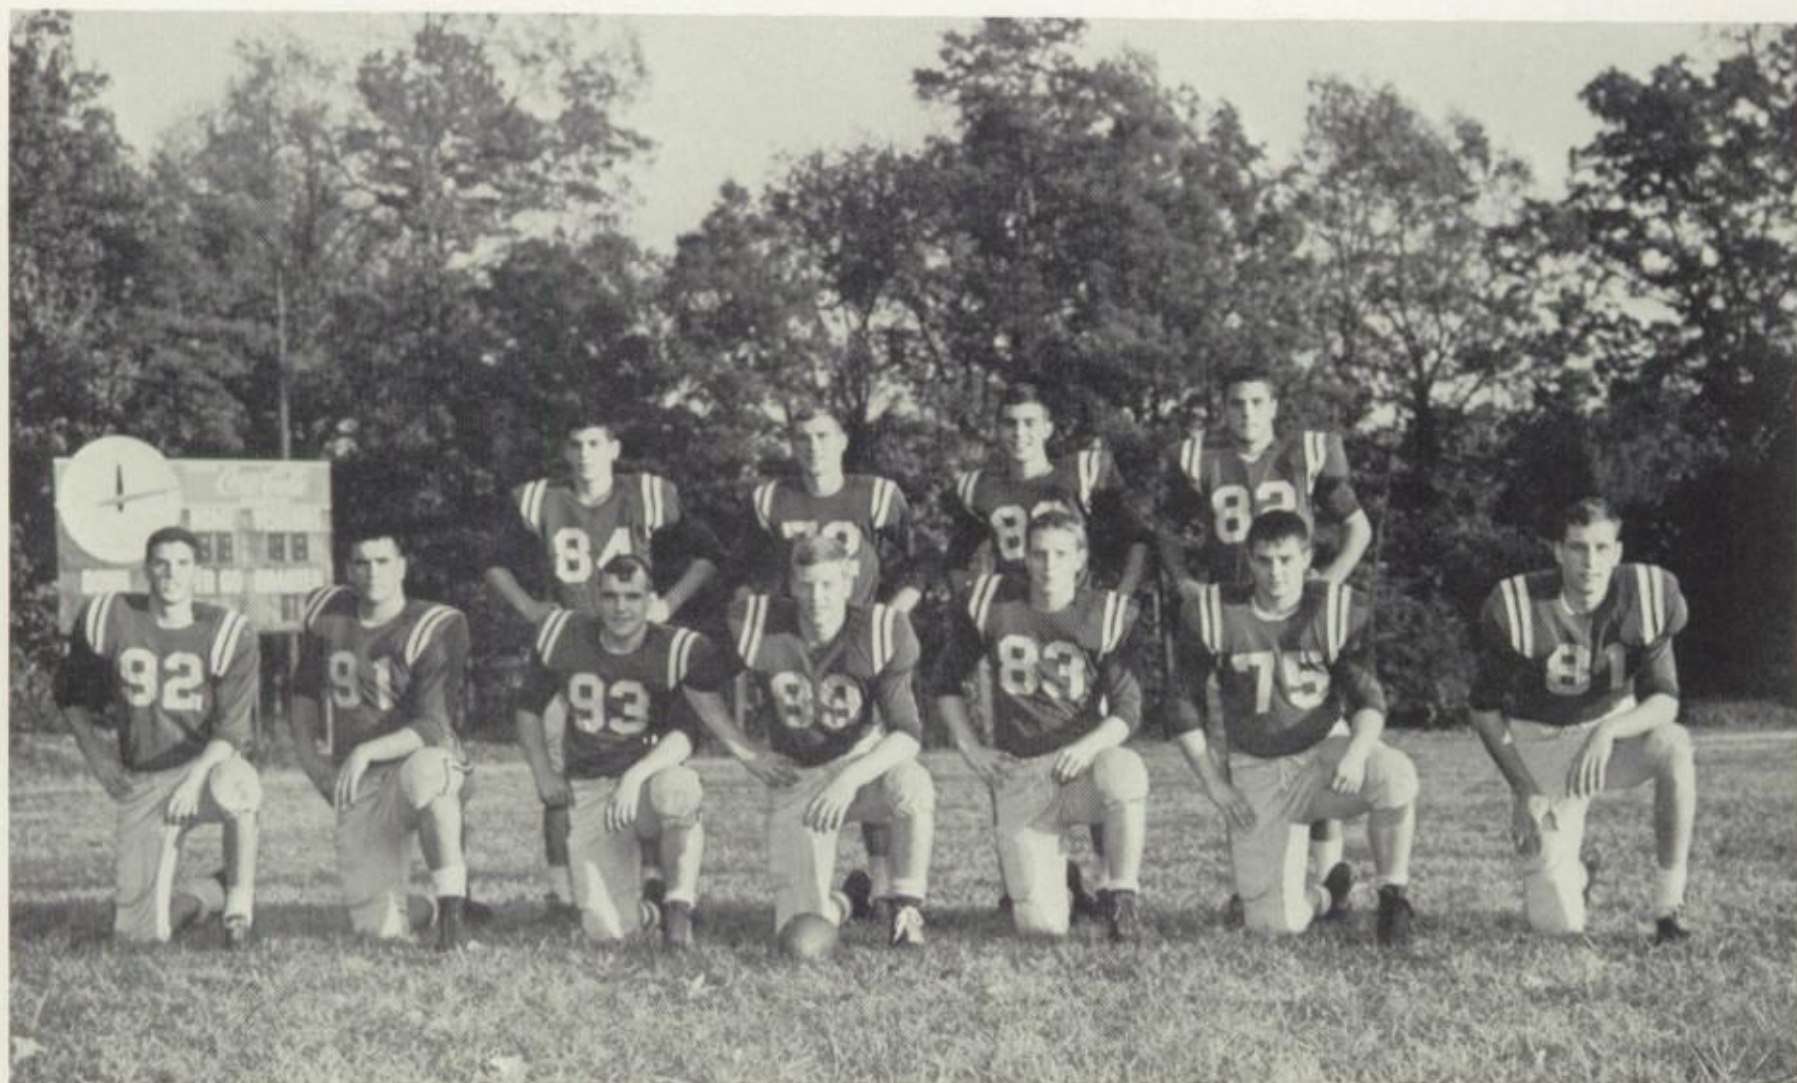

In another muddy battle, the Saints defeated their old nemesis, Norfolk Academy. Hoppy Ancarrow scored the only touchdown of the contest on a one-yard plunge which terminated a sixty-yard drive. Great credit must be given to the entire defensive unit which fought off two Norfolk rallies in the fourth quarter. By this victory, the Saints evened up their record once again.

SAINTS 13

V. E. S. 0

The final game of the season was controlled throughout by the Saint eleven. Fine performances were turned in by fullback Joe Parker, quarterback Bill Childrey, who scored the first touchdown, and halfback Ancarrow, who scored the second. Winning this last game gave Coach Herzog's Saints their first winning season of the '60's.

SAINTS 72

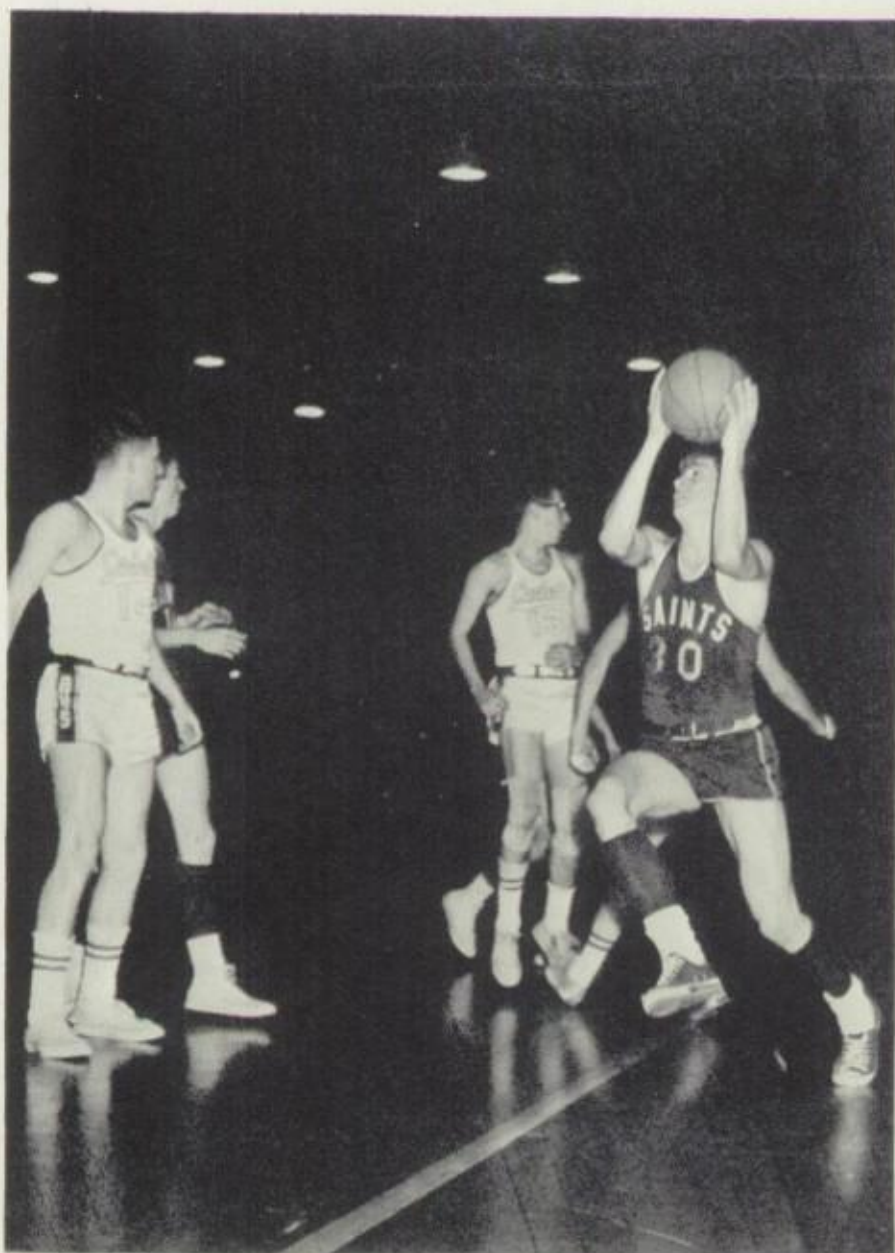

F.U.M.A. 93

The Saints jumped off to a 38-37 half-time lead in the opener, but could not keep up with the boys from Fork Union, who scored 57 points in the second half. Captain Russ Parker was high man for the Saints with 17 points, and three others ended up in double figures.

SAINTS 48

N.A. 27

The Saints bounced back after their opening defeat and routed Norfolk Academy. Getting a 9-1 lead in the opening minutes, they never trailed. Parker with 17 points and Al Dickinson with 10 rebounds led the Saints in the winning efforts.

SAINTS 58

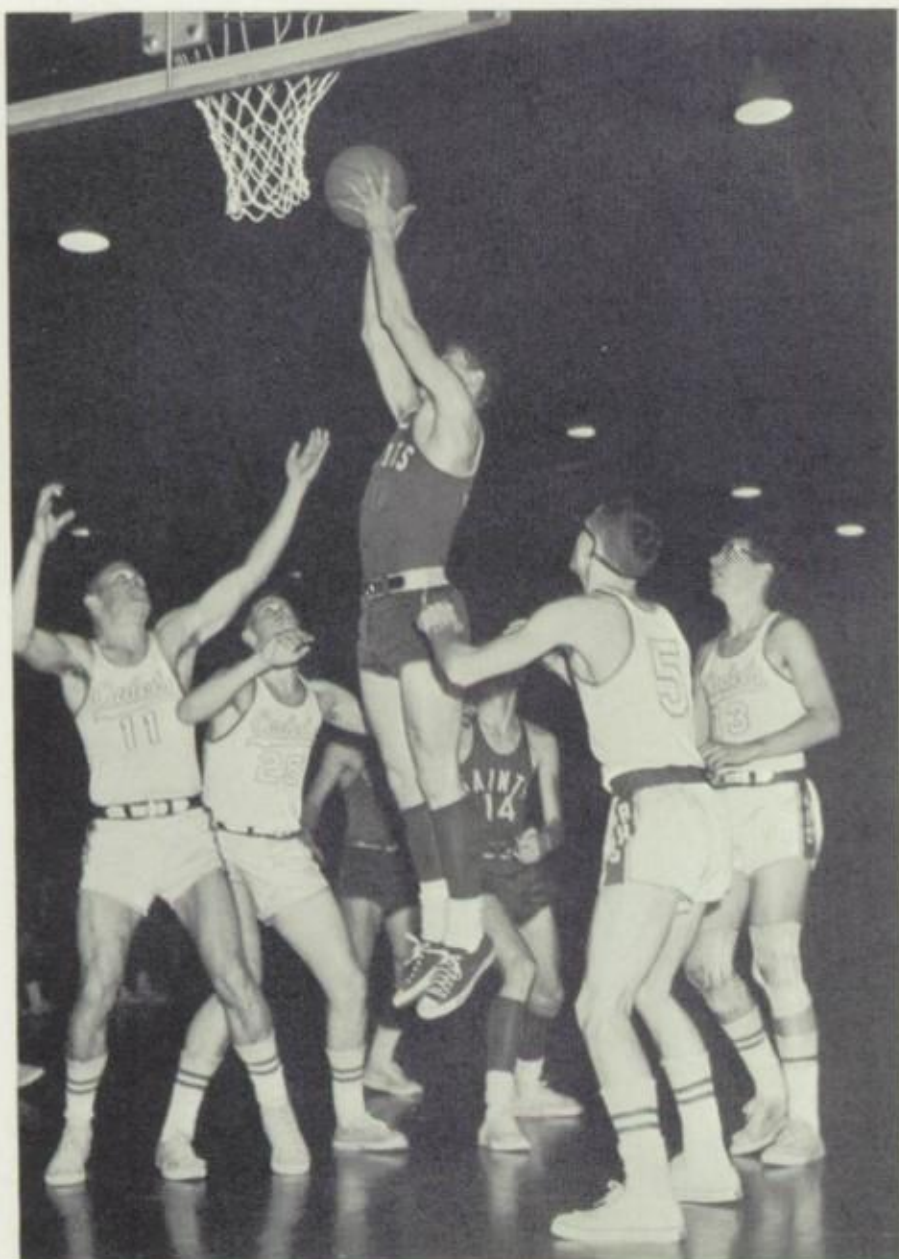

COLLEGIATE 51

The Saints had to finish strong to defeat an inspired Cougar team. Red Man's boys opened up a 21 to 14 lead in the first quarter, but soon after the second quarter began, the Saints took command. Strong rebounding and well balanced scoring by Parker, Harley Duane, and Clay Minor, with 17, 16, and 14 points respectively, made the difference.

SAINTS 91

ST. PATRICK'S 25

The Saints pushed their record to 3 and 1 by drubbing St. Patrick's. Everybody on the team got to play and everyone scored. The leaders in scoring were Parker Dickinson, Bill Childrey, and Tyler Harris with 19, 17, 12, and 11 points respectively.

SAINTS 61

COLLEGIATE 41

Russ Parker scored 15 points and got 12 rebounds, and Clay Minor got 11 points and 14 rebounds, as the Saints soundly defeated the Cougars in the return match. The Saints dominated both backboards, and held Collegiate to two first half field goals in a fine offensive and defensive effort.

SAINTS 67

F.U.M.A. 85

The Saints were out for revenge when they travelled to Fork Union for a rematch, but the boys from the Military Academy, with five players in double figures, were just too hard to stop. Jim Atkins was high man for the Saints with 16 points.

SAINTS 61

R.M.A. 66

The Yellow Jackets came from behind in second half to beat the Saints at Front Royal. Russ Parker with 20, Frank Freuler and Jim Atkins with 14 apiece, and Clay Minor with 10 scored all but three of the Saints points.

SAINTS 52

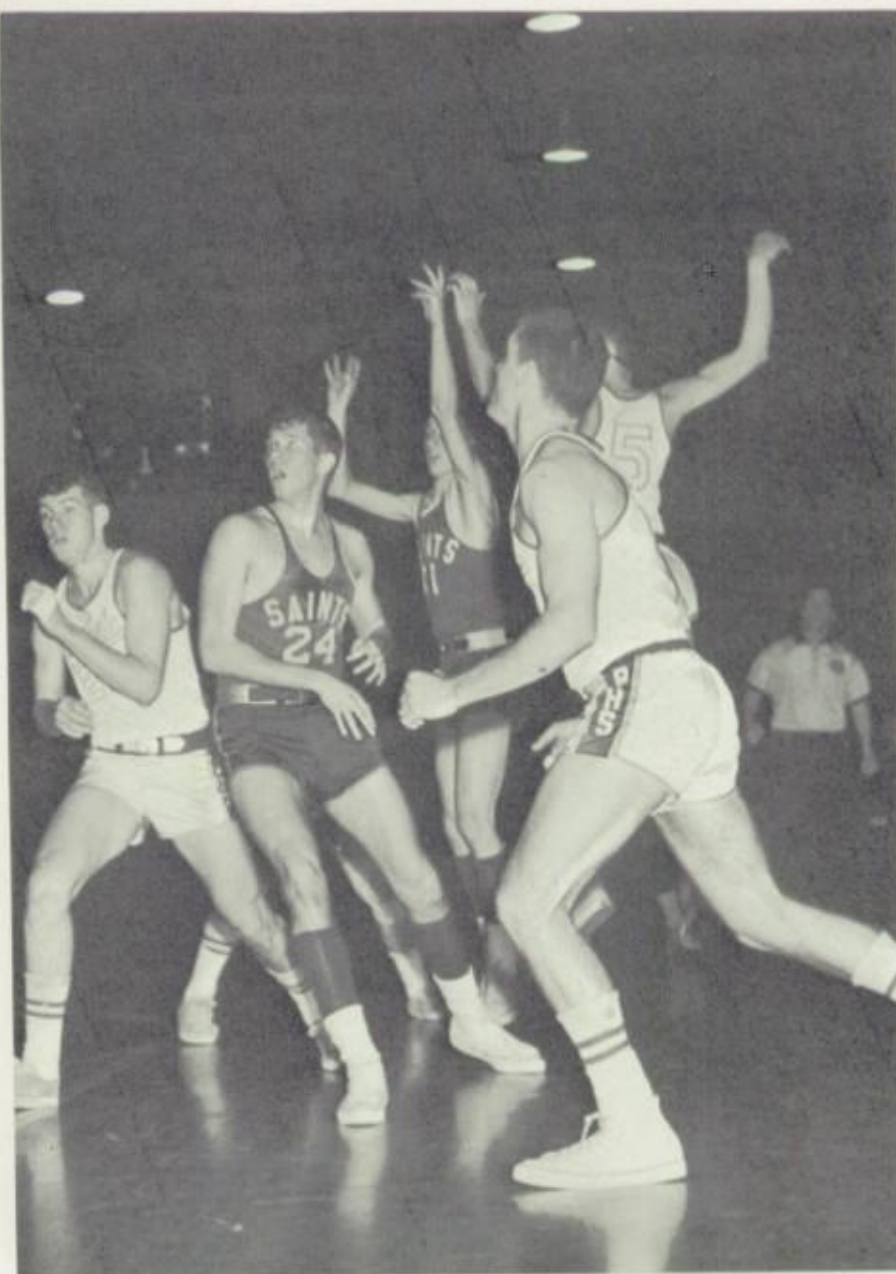

WOODBERRY 42

Double figure scoring by Duane, Parker, and Freuler, and fine defensive play led the Saints to their first Prep League victory. After scoring only 9 points in the second and third quarters, the roundballers hit for 21 in the fourth to beat the Fairies from Orange.

SAINTS 53

BENEDICTINE 68

The Saints led several times in this hard fought contest, which was played before a full house in Scott gymnasium. The hot shooting Cadets were too strong in the last few minutes of the game. Duane, Minor, and Parker all finished in double figures.

SAINTS 84

CATHEDRAL 36

Bill Childrey, Tyler Harris, and Al Dickinson led the Saints to their sixth victory. With strong scoring and fine defense, the Saints dominated the entire game. In only one quarter did they fail to score less than 20 points.

SAINTS 50

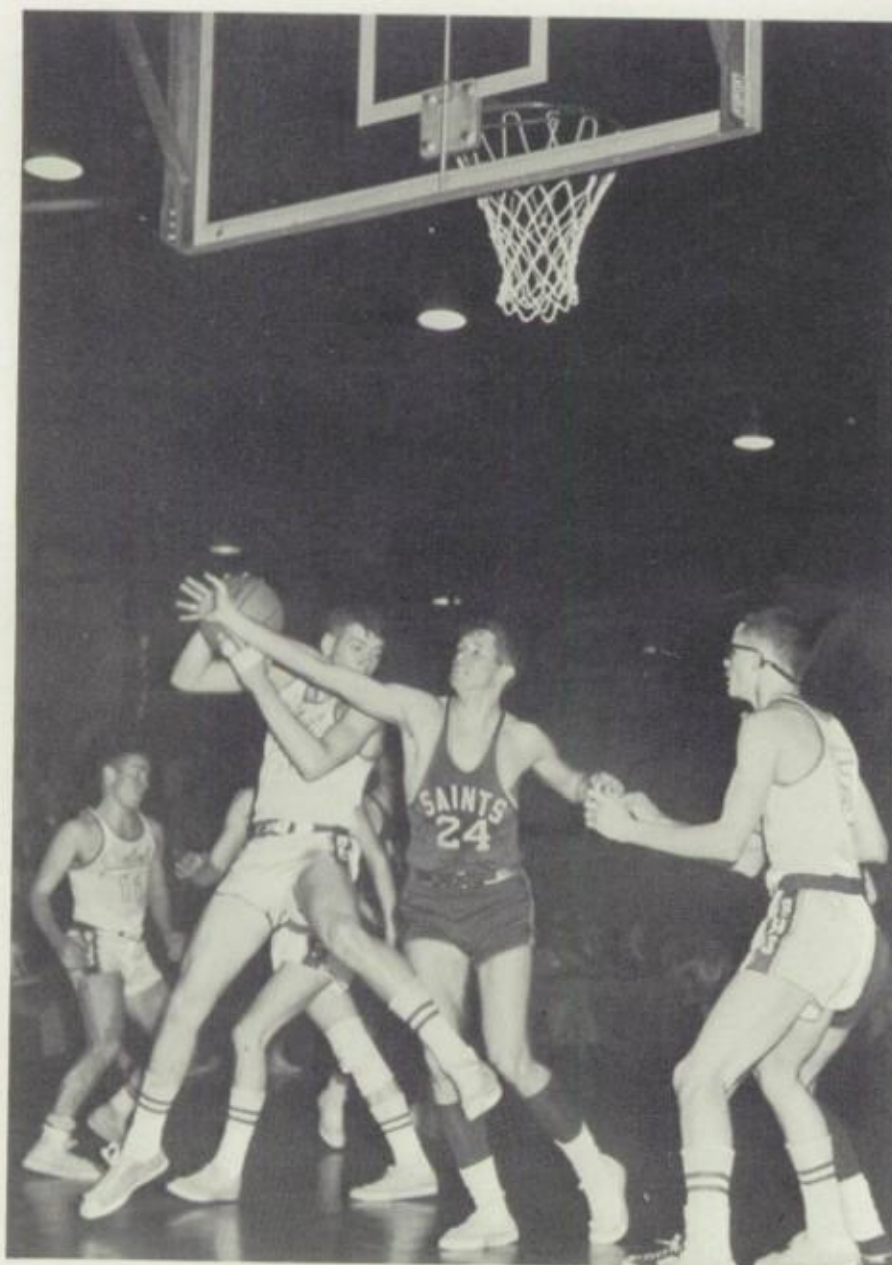

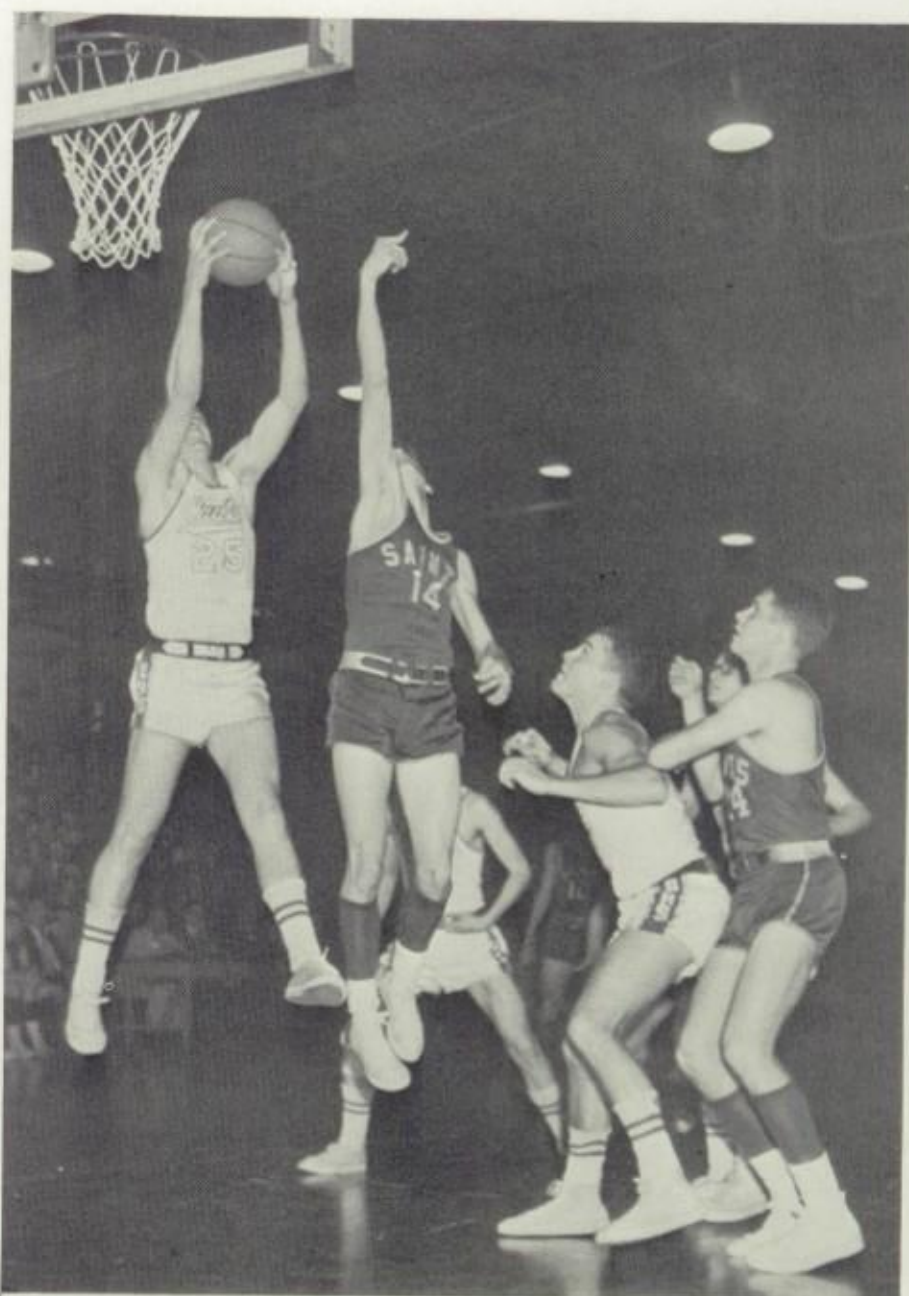

CHRISTCHURCH 42

The Saints ran their record to 7 wins by downing the Seahorses. Captain Parker was ill, but Freuler in a fine performance pulled down 15 rebounds and scored 12 points. Harley Duane with 11 points and Bill Childrey with 10 were also outstanding.

SAINTS 47

V.E.S. 63

The Bishops jumped off to a 10 point lead in the first quarter and the Saints could never catch them. The Saints were led by Parker, Minor, and new-comer Hugh Powell from Petersburg.

SAINTS 60

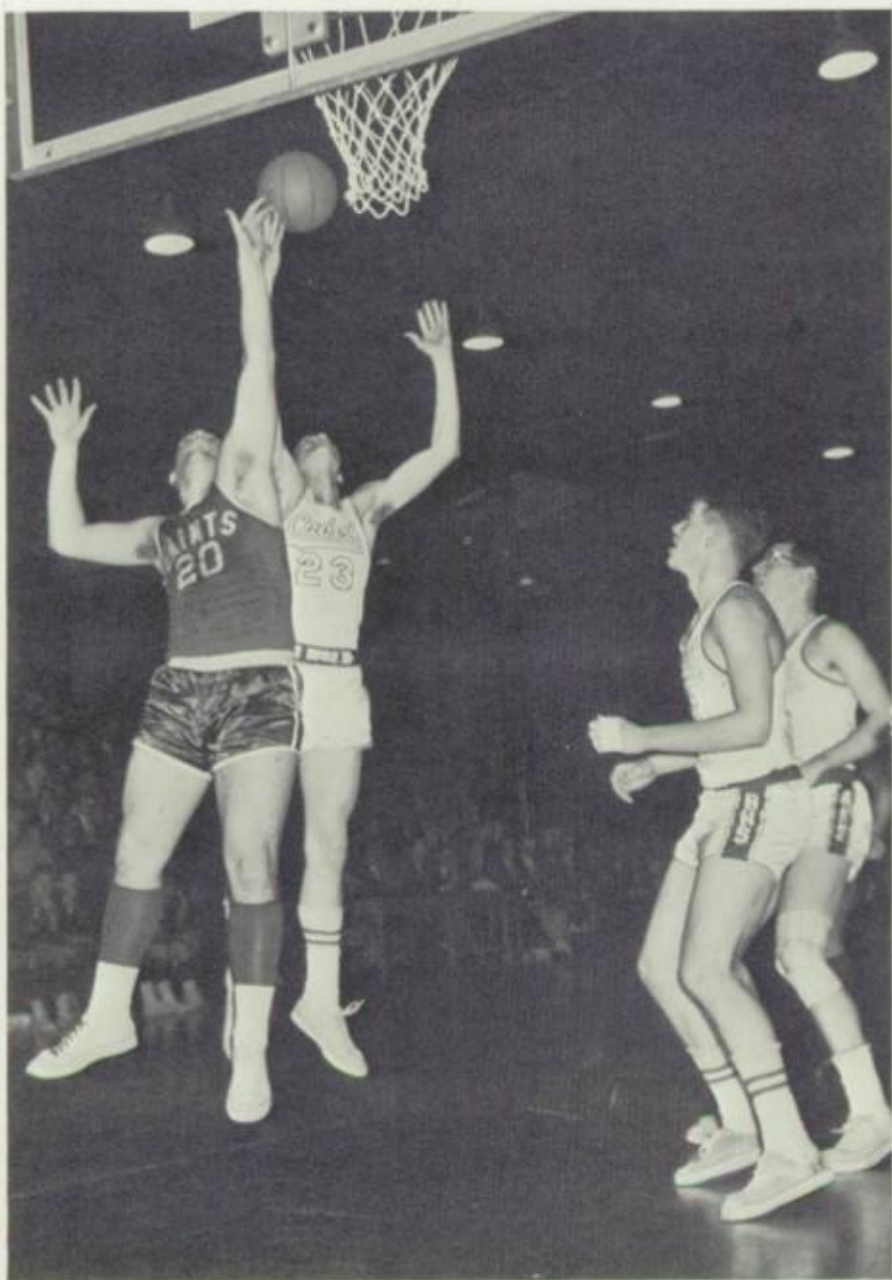

E.H.S. 48

Al Dickinson with 19 points led the Saints to an upset victory over Episcopal. Trailing by 8 points at the half, the Saints used Coach Boney's unique "scramble" defense with great success throughout the second half. In handing the boys from the High School their only Prep League loss the Saints beat them 39 to 19 in the second half.

SAINTS 52

BENEDICTINE 70

The Saints jumped off to a 7-1 lead, but then were not quite hot enough to keep up with the Cadets. A fourth quarter rally narrowed the gap to 5 points, but then died. Russ Parker with 18 points and Frank Freuler with 12 led the Saints in a fine effort.

SAINTS 55

N.A. 37

The Saints bounced back by rolling over Norfolk Academy. The roundballers gained a 10 point lead in the first quarter and they never lost it. Outstanding performances were turned in by Russ Parker with 19 points and 14 rebounds and Jim Atkins with 14 points and 11 rebounds.

SAINTS 62

WOODBERRY 64

In a heartbreaker, the Saints lost in an overtime period to a fired up Tiger team. Duane, Dickinson, Freuler, and Parker all finished in double figures. After this defeat, the Saints season record was 9 wins and 7 losses.

SAINTS 58

V.E.S. 56

In perhaps the most gratifying win of the season the Saints came from behind to beat the powerful Bishops. In revenging their former defeat at Lynchburg, Parker, Powell, and Duane each got 13 points.

SAINTS 74

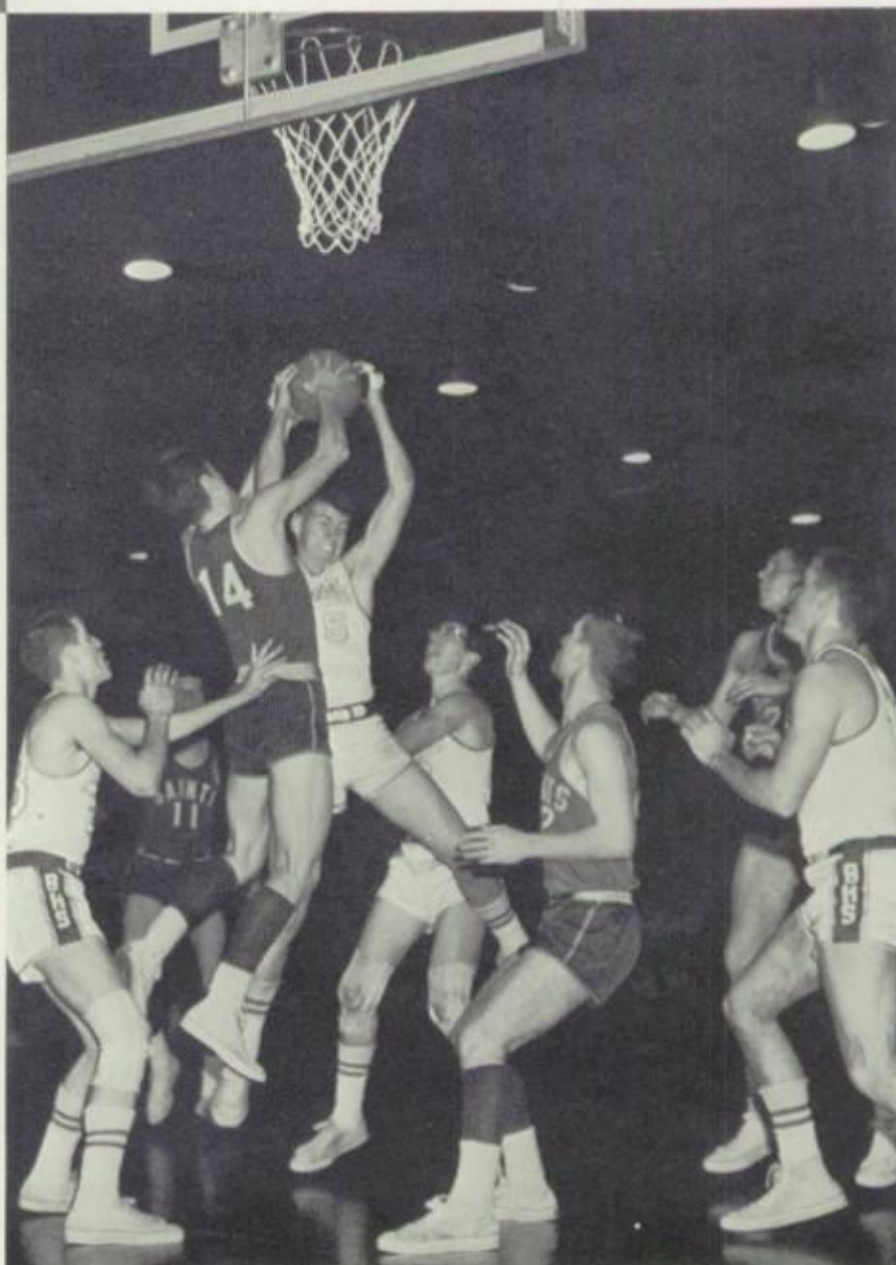

R.M.A. 53

The Saints played magnificent defensive basketball against the Yellow Jackets and again revenged a former defeat. Hugh Powell led the scoring with 21 points, and Clay Minor pulled down 18 rebounds. Captain Russ Parker broke his hand in the first half and still managed to score 16 points.

SAINTS 59

ST. STEPHENS 62

Missing captain Parker, the roundballers could not quite handle the Saints from Alexandria. At the end a seven point gap was closed to three. Atkins, Dickinson, and Powell were all in double figures. Coach Boney's team finished this, their third successive winning season, with an 11 and 8 record.

WRESTLING SUMMARY

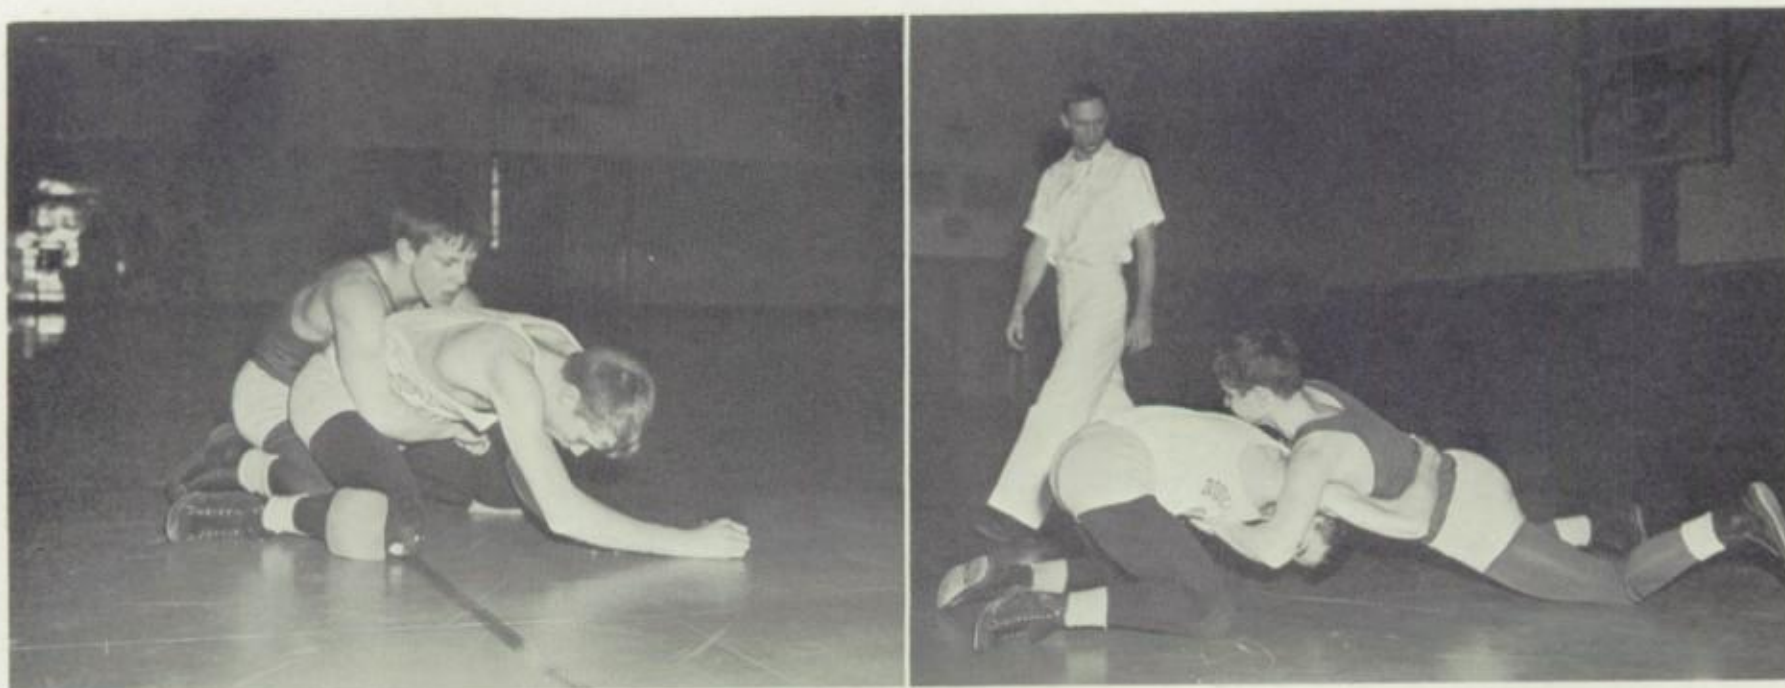

The two wrestling seasons prior to this year were merely written off as good building years. The work that went into these seasons has resulted in the finest record ever held by a St. C. wrestling team.

The season of 1963 got off to a fine start with an exciting victory over Norfolk Academy. The Saints came from behind, after losing some of the initial matches, to win 24-20.

In the next match, the St. C. grapplers defeated George Wythe by 42-7, their largest margin of the year.

After Christmas, with no signs of a post-vacation slump, the Saints prepared to meet their chief rival, Douglas Freeman. In a terribly close match, the Saints lost to the Rebels, 19-20.

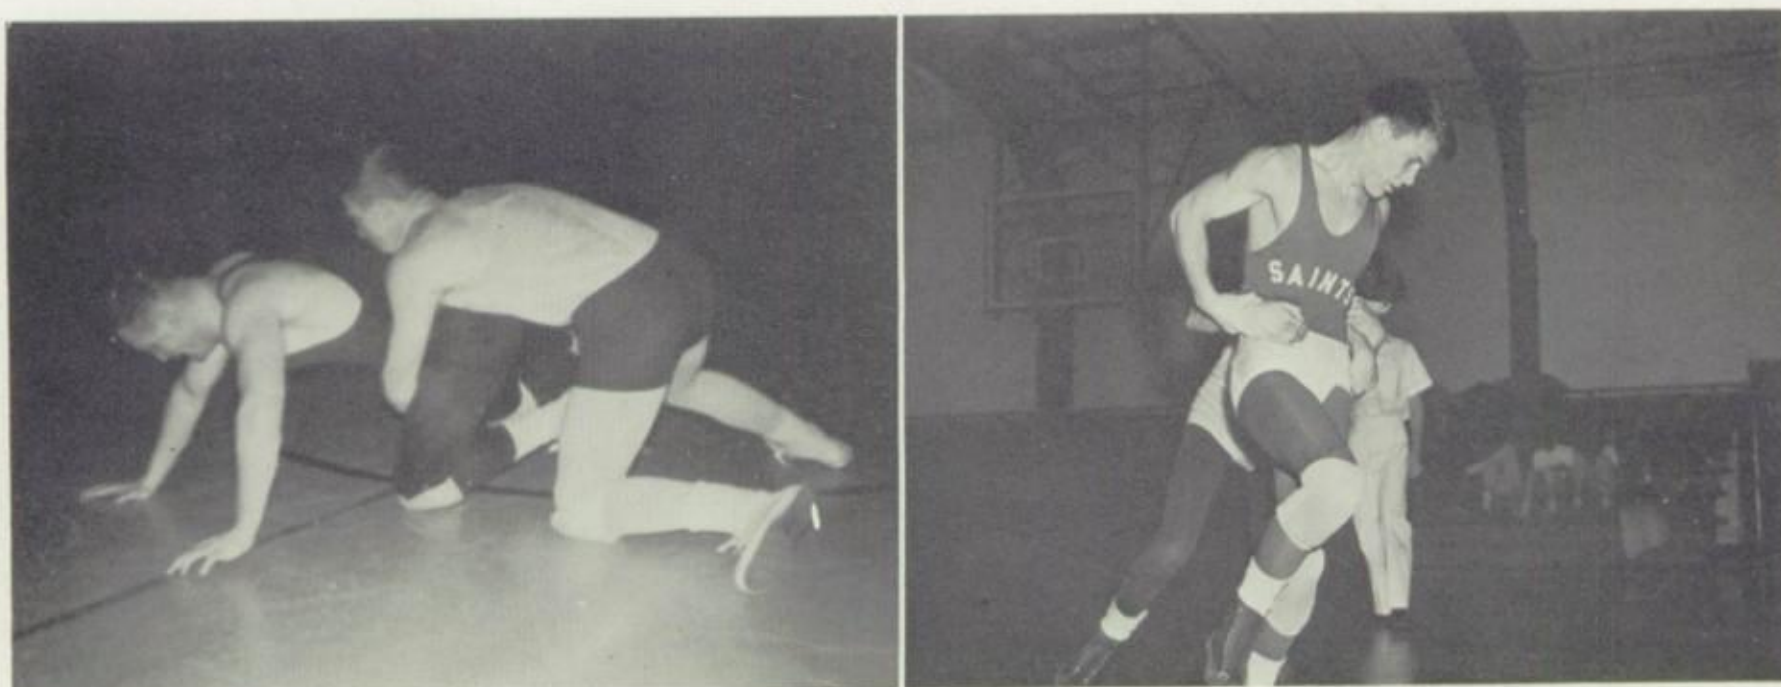

The Saints were quick to redeem their loss by defeating John Marshall. Newcomer Tucker Irvin helped the team by his wins in this match and in the Prince George meet.

After losing to an outstanding E.H.S. team, the fired-up Saints defeated Douglas Freeman for the first time since 1954. Wins by Witt, Guerry, Ford, and Easterly paced the Red and Gray. Woodberry and Norfolk Academy were the last teams to lose to the spirited St. C. grapplers.

The Saints ended up with an outstanding record of 10-2. The best individual record was held by Hunton Witt: 10 won and 1 lost. Co-captains Ken Guerry and Beanie Ford had fine records, as did Cap Easterly and Rob Buford. Coach Hardy and Steve Mazik deserve great praise for their work with the team.

BASEBALL PROSPECTS

The Saint baseball team for 1963, ably coached by Mr. Roy Brinkley, has a solid nucleus of eight lettermen upon which to build a fine team. This year's team is led by Captain Bill Childrey. Bill has two full seasons of experience behind him, and he will start at left field. Clay Minor, in his fourth season, will be Mr. Brinkley's number one receiver this year. Clay's power hitting will play a large part in this year's campaign. Russ Parker, a .300 hitter last year, will play shortstop, but will be pushed hard by Frank Freuler and Tom Stokes, up from last year's J.V.'s. Sophomore Frank Easterly will play in the "hot corner" and will be backed up by Joe Caldwell.

Charlie Guthridge will return to center field with a year's experience. Newcomers Dudley Allen and Hugh Powell will play an important part in Coach Brinkley's plans. Dudley will play first base, and Hugh is expected to give added strength to the infield at the keystone position. Jimmy Tyler, Ned Henning, Charlie Blanton, and Bobby Hutchinson, all products of Mr. Boney's J.V. teams, will be Mr. Brinkley's top reserves. The pitching staff will probably determine the outcome of the season. Lefthanders Bumby Gresham and Harley Duane will be the top starters. Elmore Boisseau, a reserve outfielder last year, will serve as a relief man. Joe Parker, a fireballing right hander, will star if he regains his control. With such an array of talent, this year's team could be one of the best ever.

TRACK PROSPECTS

This looks to be a successful year for the track team for there is strength and depth in almost all fields. The traditionally strong sprinters will be led by co-captain Hoppie Ancarrow, Jamie Jamieson, and Terry Sands. The other co-captain, Dabney Pasco, leads an equally strong group of hurdlers. Steve Buis, Sam Davis, Leroy Smith, and Armistead Williams are experienced middle distance runners, and we have three fine milers in Cary Rea, Billy Grigg, and Chesley Goldstein. Pasco and Ancarrow are threatening the high jump and broad jump records respectively, and we have an unusually fine trio of pole vaulters in Ken Guerry, Bill Babcock, and Dave Milbourn. A number of promising weight men are led by Steve Martin, Cap Easterly, Doc Frank, Bob Purcell, and co-captain Ancarrow.

** PREP LEAGUE FACULTY FOOTBALL CHAMPIONS

SUMMARY

The graybeards had one of their most successful seasons this year, finishing with a 9 - 1 record. Depth and talent allowed the faculty to use a two- platoon system. Since the backfield held such a wealth of talent, a hard-running ground attack was employed. Passing was effective, though seldom used. The offense was powerful and explosive to an almost unbelievable degree. The monstrous forward wall plus the lightning-quick backfield was too much for most opposing defenses. The defense was tough, and when it was reinforced by offensive halfback Hugh Brenaman it was the stingiest in the country.

BOYS!

Are you tired and run down?

Are you skinny and weak?

Do morticians look at you with greedy eyes?

WHY BE A WEAKLING?

J. FINCHLEY DOOB

the holder of the title

"The World's Most Perfectly

Developed Peon"

This is all you have to do.

Simply tear off the top of your father's
Safety Deposit Box and send us the con-
tents and we will rush you yours in a
plain sealed envelope.

Hear these unsolicited Testimonials:

D. M. Boney - "I knocked down three small girls with
one blow "

C. W. Minor - "I now take my grandmother two out of
three falls at Indian leg wrestle."

SMOKERS

! ARE YOU TROUBLED WITH TOBACCO???
DOES IT EAT INTO YOUR THROAT,
BLACKEN YOUR GUMS, CORRODE YOUR
TEETH???

Why Smoke Tobacco?

Smoke

NICOTINIES!!

The Nicotinie Company has completely removed the nicotine from the world's finest tobacco and put it into a fine new cigarette—free from harmful tobacco—just a perfect blend of moist, soft nicotine.

REMEMBER . . .

“Undertakers Prefer Nicotinies TWO TO ONE!!”

* * *

HEAR WHAT THESE PEOPLE HAVE TO SAY ABOUT NICOTINIES:

Jim Tyler —noted idiot: **Clay Minor** —well known slob:
“Cough, cough.” “May I be excused, Mr. Beck-

Doc Frank—bouy: with?”
“I smoked one Nicotinie **Bill Carter** — distinguished
and signed pledge!” Watussi:
“Umboba . . . Watussi . . .
Aganuamawa—Arrghhh . . .”

* * *

Light up a NICOTINIE; take a big puff; and inhale the glorious goodness. Feel the smoke gurgle through your throat and seep into your lungs. Exhale. Watch the smooth black smoke pour out of your nose and throat and seep out of your pores.

That's Real Smoking Pleasure!!!!

Remember . . .

Nicotinies are for you.
They are inexpensive too.
Nicotinies hit the spot;
Fill your lungs and watch them rot.

Scholars, Gentlemen, and Dates

Before officially closing the 1963 RAPS AND TAPS, I would like to single out the following for their help:

Mr. Hanes and Mr. Squires for giving encouragement or lashes whenever either was needed, and for giving of their time and effort above and beyond the call of duty;

Mr. Jesse Pennell of DELMAR for bearing with me all these months of lateness;

Mr. J. Etheridge Ward for his invaluable photographs and his cheerfulness when summoned on short notice;

And, of course, all the subscribers and advertisers, who made this publication possible in the first place.
